

VOICE

GOSPEL LIGHT CHRISTIAN CHURCH

LEADING GENERATIONS INTO A LIFE-CHANGING RELATIONSHIP WITH JESUS CHRIST

12 October 2014

The Punggol Dream

The Punggol Dream is a Vision of Faith.
God has called us to step up to serve an exciting generation.

He has miraculously led us in this journey of faith.

From the eventual award of the land from HDB, to the amazing giving by God's people, to the excellent piling contract we have just awarded- the whole Punggol Dream is a work of God!

God is on the move to rescue many more souls.

And He has called us to the Harvest in a whole new way.

I'd like to encourage you to journey on with God towards Punggol.

The next major milestones for the building project are:

1. Groundbreaking- 19 Oct (next Sunday)
2. Award of main contract (due Dec '14-Jan '15)
3. Raising another \$6 million by Mar '15 (figures will be updated when main contract is awarded)

Based on an average segment of the general congregation profile in our church (excluding the ultra-rich and the ultra-poor in this simple consideration), the working target will be \$20,000 per person (\$6 million divided by 300).

God loves a cheerful giver. It is a privilege for us to give!

Please pray with us as we all follow the Lord's leadership.

I am confident that together, we will once again see the faithfulness of our Lord to provide through His people.

Blessings
Pastor Jason
