## Punggol Fund Raising

I thank God for this journey of faith into Punggol Land.

When I speak with pastors from different churches, I begin to realise the \$11.5 million giving of Gospeliters till date, within this short period of time, is something extraordinary for a church of our size. (Not to mention the \$20 million pledges from donors!) We are blessed to be part of this amazing miracle of crossing River Jordan!

The clear signal then is that **our God is at work**. He is the One leading us into Punggol. And right now, we face Jericho- \$15.5 million still needs to be raised (\$3.5 million by end of March). Question is: will we trust Him? Will we obey-in prayer and in sacrificial giving?

As the Senior Pastor, I am responsible for leading our church in this venture of faith. I have asked myself many times if we, as the leadership, have done enough. I fear we may be complacent (being overly passive) in not challenging our people enough. But I also want to avoid manipulating God's people into giving. I ask our leaders if we have done all we can, without resorting to humanistic and manipulative appeals. And together, we feel, "yes, we have done what we needed to do. It's now time to see the Hand of God moving amongst His people once again."

Gospeliters, will you join me in this journey of faith? In entering and possessing our Promised Land? To be part of a great stewardship of the glorious Gospel of Jesus Christ from Northeast Singapore, unto the uttermost parts of the world? Will you step out in faith and march and see these mighty walls of Jericho come down?

God is at work! Will you obey? Will you give sacrificially and pray?

Pastor Jason
