

SHINE SUNDAY BULLETIN

The True Worshipper

Dear Gospeliters,

It was such a thrill to my heart to see so many of you come EARLY to prepare for worship service last week. Praise God for your joyful obedience to God's word preached in the sermon **"Proper Worship in God's House"**. Solomon said, *"Guard your steps when you go to the house of God."* I am sure our God is pleased and glorified when you responded so well to His word by choosing to honour Him.

Jl Packer said, *"Worship in the Bible is the due response of rational creatures to the self-revelation of their Creator."* It is imperative that God's Word be declared each and every Sunday during service. Gospel Light seeks to teach God's Word, in its proper context, and not just "make use of God's Word" to propagate Man's own ideas or preferences. This is our firm conviction and practice. And may I continue to encourage you to treasure and savor His word preached each week. In Solomon's words, *"To draw near to **listen** is better than to offer the sacrifice of fools."*

Finally, let us endeavor to be DOERS, not just hearers. Solomon describes the fool as a man who says he will do, but doesn't do. The true worshipper performs his vows. As God graciously speaks to us weekly in our services, let us worship Him with our obedience, for obedience is better than sacrifice. May our Sunday Worship flow into our Daily Walk! May our communion with Him result in a godly conversation.

May Gospel Light go deeper and deeper into the Heart of Worship, for Jesus sake!

Blessings,
Pastor Jason

"Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God." (Romans 13:1 ESV)

In this time, let us pray for our leaders, and for our nation. Let's thank God for our leaders who serve sacrificially for the people. Let's praise Him for His divine favor upon this littlest of nations. And let's pray we will have many more years of peace to proclaim the Gospel of Jesus Christ His Son- from this little red dot, unto the uttermost parts of the world.
