

SHINE SUNDAY BULLETIN

A Testimony of Salvation by Theresa Pang

I'd like to dedicate this testimony to our Heavenly Father, our Lord Jesus Christ and the Holy Spirit for the mighty work He has done in leading my mom to salvation.

In July this year, she was warded at NUH Medical High Dependency (MHD) for Sepsis (Bacteria in bloodstream). She had shortness of breath & required breathing aid. She started to have serious hallucinations.

I have shared the gospel more than a 100 times, but this is my very first time sharing the gospel with my mom in Mandarin. It was much easier to convert to Mandarin because I had earlier shared the gospel maybe 50 times in the previous week during E-Camp 2015. **Gospel presentation requires practice!**

Mom eventually made the decision to receive Jesus as her personal Saviour! Praise the Lord! She testified to us after her discharge from hospital that the moment she received Christ as her Saviour, all hallucinations disappeared almost immediately. **It's the work of God!**

But mom's breathlessness worsened. **I was pleading with God.** "Lord, you are a faithful God. You are Jehovah Rapha – God who heals! You said in your words - All things worked together for good to those who loved Him, and who are called according to His purpose." The Lord brought to memory Isaiah 41:10 **"fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."**

I was **prompted by the Holy Spirit** to call upon all of God's people to pray for mom. I asked our CG and called for more prayer warriors via Facebook Messaging, I sent an urgent prayer request to Ate Joy Pinero and the SMCI leaders in Philippines. The **army of God was engaged in the spiritual battle** on their bended knees! **I know when we pray, God hears and God works!**

On 30th July 2015, mom was finally discharged after spending almost 20 days in NUH. The recovery process wasn't easy, both for mom as well as for us. But **God's grace and strength are with us.**

Mom joined us in GLCC Chinese service for worship. It's not her first time to service, but this day was special to us because her identity has changed. **She's now a child of God, a believer of Jesus Christ, our Lord.** I have set out my objectives as below in this testimony.

Primary objective: **To give all glory to God** for mom's salvation, for His goodness & grace, which I can never express fully in my words. I pray I will **never forget His goodness** upon mom.

Secondary objectives:

- 1) To encourage brethren with unsaved families - Persevere in prayers. Remember Romans 1:16 - For I am not ashamed of the gospel of Christ: for it is the **power of God unto salvation** to everyone that believeth.
- 2) To share with unbelievers that Jesus is REAL –God can reveal Himself to you if you sincerely ask Him to! **We have not because we ask not.** Jesus said in Matthew 7:7 **"Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you."**
- 3) To encourage ALL that **our God is a faithful God. He keeps His promises** –I have been through quite a few trials and temptations in my 8 years' walk with Him. I learnt that God allowed these to happen in our lives for a purpose – To shape and mould us to Christ-likeness and to glorify Him. It can be painful at times but **God has never failed me.** Not once. **Hold on to His promise!** "And we know that **ALL things** work together **for good to those who love God, to those who are called according to His purpose.** – Romans 8:28
