

SHINE SUNDAY BULLETIN

“Teacher, which is the great commandment in the law?” Jesus said to him, “‘You shall love the Lord your God with all your heart, with all your soul, and with all your mind.’ This is the first and great commandment. And the second is like it: ‘You shall love your neighbour as yourself.’ On these two commandments and all the Law and the Prophets.” – Matthew 22:36-40

Gospel Light will be moving to Punggol very soon. And the people at Punggol will be our neighbours. We are called to love our neighbours and serve them. And this is the essence of community engagement in Punggol. Community engagement is about *building relations and positively impacting lives in the community*.

Building relationships is part of living out our Christian faith. Our faith is a personal faith, but not a private one. We are called to love and bless others. Our community engagement efforts are not meant to promote ourselves chiefly, but to build relationships with others. We should also seek to positively impact lives in the community. We seek to do good unto others and serve their physical, emotional and spiritual needs. All these are done to the glory of God. Through our outreach, we want people to come to know our God and His love. At the same time, we ourselves will be transformed to be more Christ-like in loving others.

Community engagement is not meant for the few. Everyone can be involved. We will have a mix of initiatives comprising church-wide events and smaller group activities. Church-wide events will be simple and will allow all church members to participate, while smaller group activities would be for more specific target audience with specific needs. Individuals can also make use of their talents and skills to organise activities to benefit the community.

We will be having a church-wide outreach to Punggol on **12 November, Saturday, 10am – 12:30pm**. We will go door-to-door and invite the residents to come for our 1st service on 4 December and Christmas Service on 25 December. We want to reach as many residents as possible. Many hands make light work. Do sign up to participate in this work. For those who have not done it before, let this be a step of faith. For those who have, let this be your faithful service to the Lord and the community. Let us be steadfast, immovable, always abounding in the work of the Lord, knowing that our labour is not in vain in the Lord (1 Corinthians 15:58).

Still pressing on,
Pak Sing
