

SHINE SUNDAY BULLETIN

Two years ago before Gospel Light's move to Punggol, we were exploring and planning for new ministries to serve the Punggol community meaningfully. We learned from community organisations about the shortage of student care services in Punggol, and so decided to start a "kids club" that would integrate student care services as one of its core activities after the move. Hence, ShineKidz was born.

ShineKidz is an exciting new outreach ministry for children in the Punggol community. We plan to organise activities such as sports, camps, and excursions for this "kids club". The after-school student care services will be an integral part of this ministry. It is our desire that our student care will be unlike any others, as we hope that the children will experience God's love through God's people caring for them and guiding them as they learn and grow.

ShineKidz started operations on 3 January 2017 with 9 children. We expect to grow in numbers as more parents learn about our student care service, and we expect to double in number to 20 children by February 2017. As we grow, we will need more volunteers to join us in serving the children. **Volunteers are required to commit to a minimum of an hour a week over a period of one month and may choose to serve in a variety of roles and capacities.** We are looking for volunteers for the following roles:

- Accompany the children to walk to our church from nearby schools safely
- Help the children with their schoolwork
- Share Bible stories
- Coach or teach sports, playing of musical instruments, speech and drama, and any skills or activities in the enrichment program that will help the children develop and grow
- Bake birthday month cake

Through these activities, we hope that by spending time with the children, we will be able to build good relationships with them and their parents. This will also enable us to create bridges to invite the children and their families for future church events and services.
