YOUTH MINISTRY DIALOGUE

The future of a church is determined by the quality and size of its Youth Ministry.

Since youths are vulnerable to corrupt influences, many youth ministries are designed to be “fortresses” that protect youths from these dangers. Hence, they become fish bred in a fish-tank, unable to survive and thrive in the real world.

Gospel Light Christian Church is a Gospel-centered church that aims to train its youths to reach out to their generation for Jesus Christ.

In the past, Gospel Light used to be a church of like-minded people with like-minded children. But now God has given us this wonderful opportunity to be a Gospel light in Punggol.

How will our Youth Ministry impact the Punggol youths from all walks of life?

How will Gospel Light train its youth to be strong Christians who can stand out in this wicked world and who will lead thousands of youths into a life-changing relationship with our Lord Jesus Christ?

To find out more about our Youth Ministry, please join us at the Youth Ministry Dialogue held at the Shine Auditorium after the second English Service today!

Advisor, Youth Ministry
