

# SHINE SUNDAY BULLETIN

## MEMBERSHIP MATTERS

God's people are called to be part of the local church. Being part of the local church is much more than just attending worship services on Sundays - it is about doing life together. It is about caring for, being accountable, and ministering to one another.

The local church is God's plan to bless you. The local church is where you receive spiritual leadership, teaching and protection from spiritual leaders. It is also where you receive the ministry of encouragement, prayer, support, accountability and love from the community of God's people. At the same time, the local church provides you with the avenue to use your gifts to serve others. Together with the rest of the members, the local church holds up God's word and shines as a testimony for God in the world we are called to witness to.

In the last message of our sermon series "Ekklesia", I urged us to do 3 things:

### 1. Decide

Decide to join a local church. Do not be satisfied with only attending services. Make a decision to commit to and be rooted in a spiritual community. Signing up for membership is an indication to the church and the leaders that you are committing to the spiritual leadership, accountability and ministry of the local church. **Our upcoming Membership Class is on 2 and 9 April.** Sign up at our Front Desk at L1 and L4 or via our website at Who – Membership today to find out more about church membership here at Gospel Light.

### 2. Develop

I urged us all to develop relationships. This may include joining a care group, but it can also include simple things like being a part of a Bible study group, a mentoring relationship, or a 1-on-1 accountability group. Start simply by speaking with people during lunch after service. Love one another over a casual meal. Membership is saying, "I care about you". (Find out more at our Front Desk, at the newcomers corner at Level 1, or visit our Website > Connect > Care Groups > Care Group Booklet).

### 3. Deploy

Use your gifts and talents to serve one another in the church. Ministry is not just the pastor's privilege. All of us who are God's people are called to serve. Get involved in some of our church ministries (visit our Website > Connect > Ministry > Ministry Booklet) and discover, deploy and develop your spiritual gifts for His name!

Let us live faithfully in God's will and have a right regard for the local church. May the Lord truly unite all of us in His gospel as a testimony to His great glory.

Blessings  
Pastor Jason
