

SHINE SUNDAY BULLETIN

BIBLE STUDY MINISTRY

We started our Bible Study ministry after our move to Punggol with the aim of feeding those who are hungry for more spiritual food. Our intent is to supplement our Sunday morning pulpit ministry with additional Bible classes. While some may find our Sunday morning messages sufficient, there are others who desire to learn more from the Bible. There may also be some topics of interest that are not addressed in the course of our regular Sunday preaching. We also believe that as folks from Punggol and the surrounding areas begin to join us at Gospel Light, there will be a broader spectrum of needs that would require a greater variety of Biblical teaching.

We have four programmes under our Bible Study ministry: The Beginners Programme, the Topical Study Programme, the Expository Study Programme, and the Conference Programme. Each of these programmes offers a different selection of courses to help our people learn from the Word of God.

The **Beginners Programme**, headed by Bro. Tan Gheng Mun, launched the Seekers Course this month to help pre-believers understand the Gospel. In March, the New Believers Course will be open for registration to help those who are new in the faith learn some basic truths that will aid their spiritual growth.

Our **Topical Study Programme** is intended to provide Biblical studies on various topics of importance and interest. A DVD course on The Miracle of Life Change is also scheduled to open for registration this month. This course will be especially helpful for believers who want to take a bigger step to experience a life-changing relationship with Jesus Christ. In the pipeline is a special course on Bible Interpretation for those who want to learn more about how to study the Bible for themselves. This is likely to begin in the middle of the year.

The **Expository Study Programme** is headed by Bro. Jerry Koh, who is forming a team to study the books of the Bible together and teach their wonderful truths to those who are hungry for this form of Bible study. Keep a look out for news on this exciting development in the latter half of the year!

Finally, our **Conference Programme** seeks to engage speakers from within and outside our church to run seminars and workshops on subjects in their areas of expertise. A recent example is The Case for Creation workshop conducted by travelling evangelist Skip Tilton on 4 March, which some 170 people attended to learn how science actually confirms the teaching and accuracy of the Bible. We can look forward to having more interesting workshops in the days ahead!

Gospel Light Christian Church aims to be a church that is faithful to the Scripture as part of our vision to be an *Acts Church for Today*. As we take the steps of *Know, Grow, Go* towards our vision, the Bible Study ministry works to help believers grow in the knowledge of the Word. If you want to grow spiritually, I invite you to consider attending these Bible study courses.

Blessings,
Pastor Chee Keen
