for the former things have passed away.”**

Le marchand de la mort est mort
("The merchant of death is dead")

"Dr. Alfred Nobel,
who became rich by finding ways
to kill more people faster than
ever before, died yesterday."

We've a story to tell to the nations,
that shall turn their hearts to the right,
a story of truth and mercy,
a story of peace and light,
a story of peace and light.

We've a song to be sung to the nations,
that shall lift their hearts to the Lord,
a song that shall conquer evil
and shatter the spear and sword,
and shatter the spear and sword.

We've a message to give to the nations,
that the Lord who reigneth above
hath sent us his Son to save us,
and show us that God is love,
and show us that God is love.

We've a Savior to show to the nations,
who the path of sorrow hath trod,
that all of the world's great peoples
might come to the truth of God,
might come to the truth of God.

We've a story to tell to the nations,
that shall turn their hearts to the right,
a story of truth and mercy,
a story of peace and light,
a story of peace and light.
