**How do you know the bible
is true?**

- **Person of Jesus Christ**
- **Old Testament ~350 prophecies of Jesus Christ**
- **Archaeology**
- **Science**
- **Experience**

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.

2 Tim 3:16-17

For no prophecy was ever produced by the will of man, but men spoke from God as they were carried along by the Holy Spirit.

2 Peter 1:21

The bible is not a science textbook but it is written by God, the creator of this universe

The bible is

- **Accurate and inerrant**
- **Authoritative**
- **Sufficient**

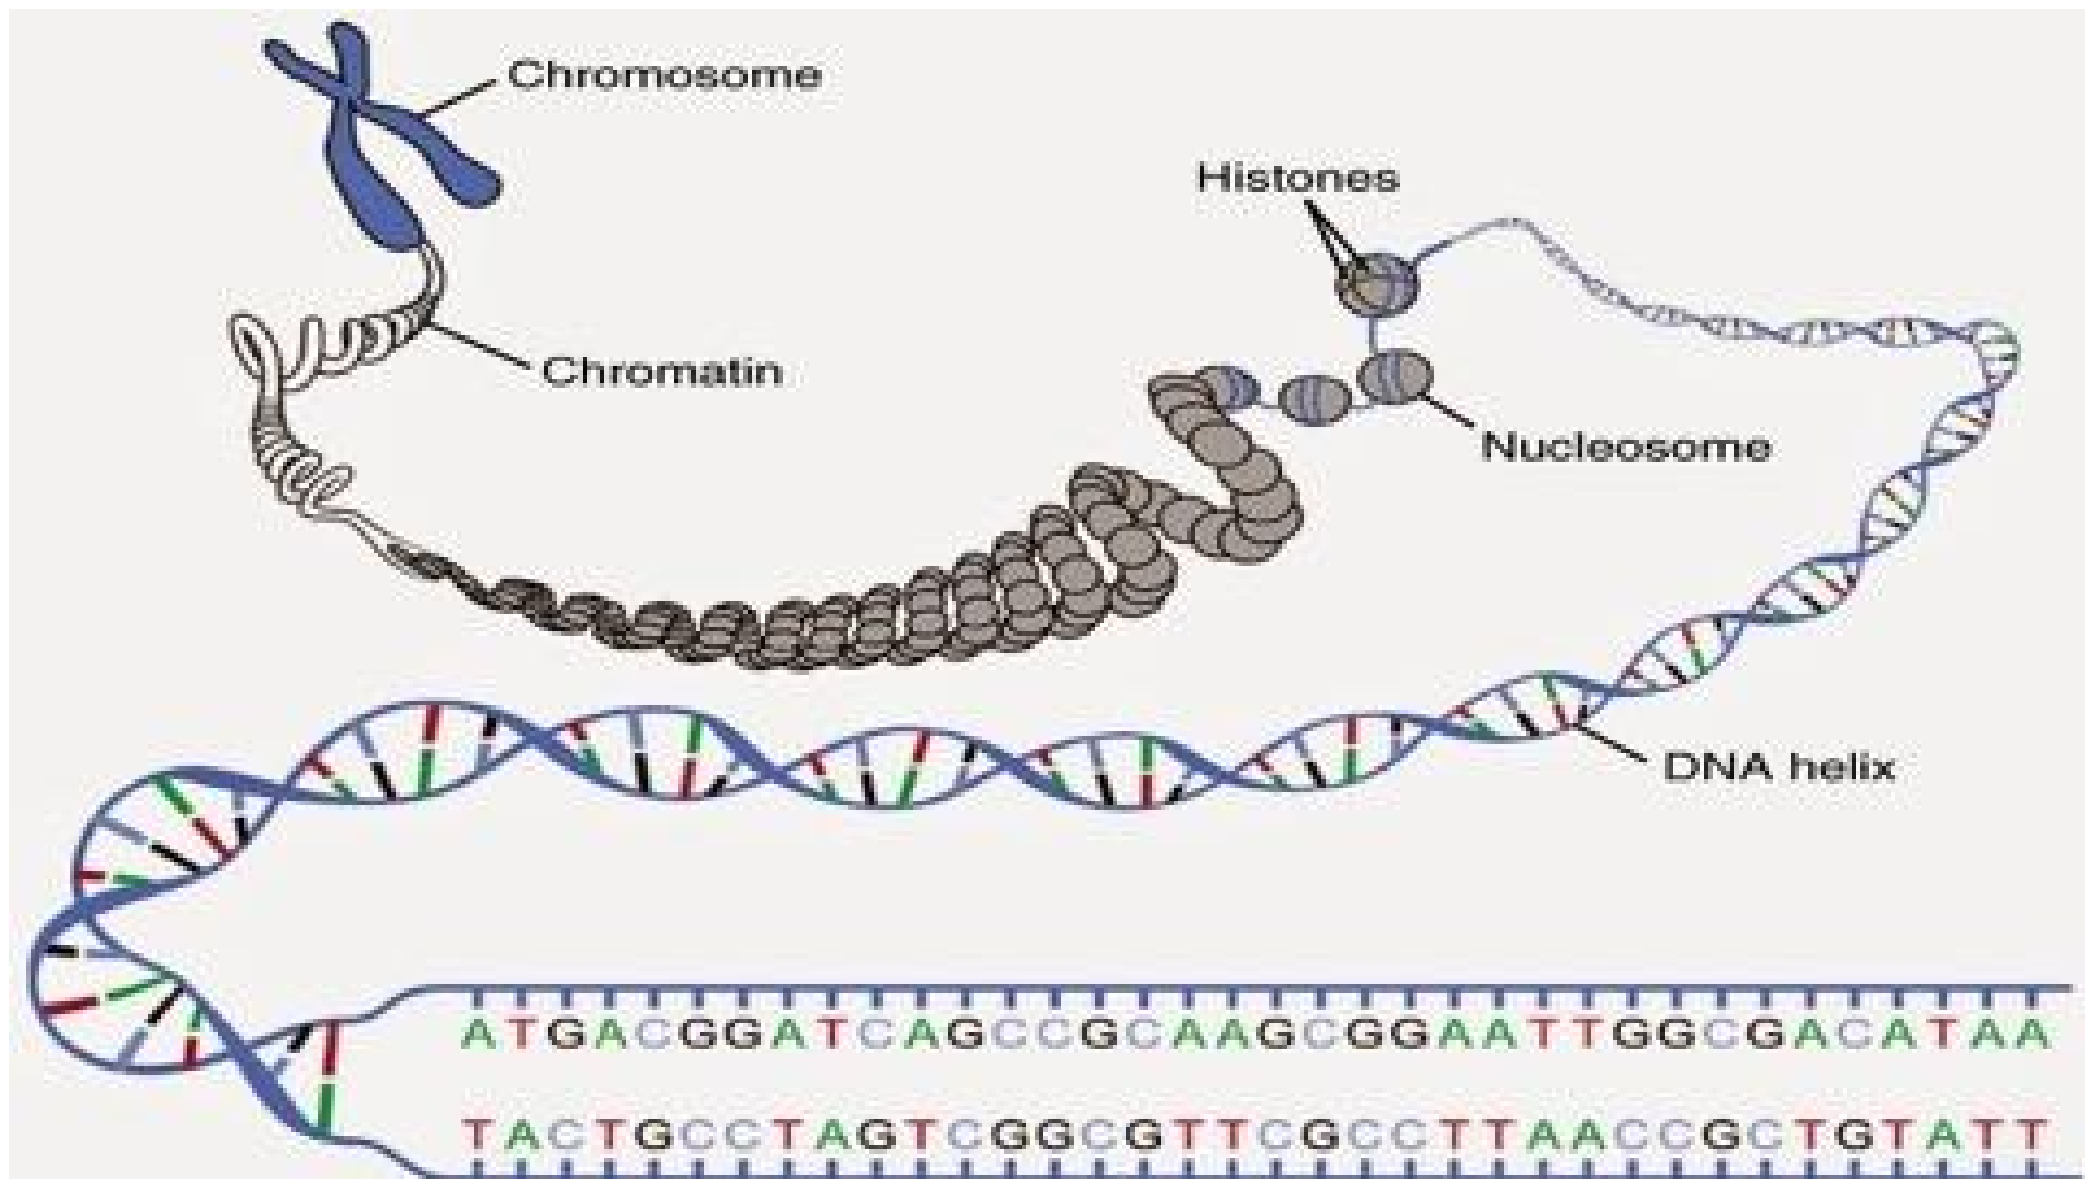

T H E X F I L E S

THE TRUTH IS OUT THERE.

For his invisible **attributes**, namely, his eternal power and divine nature, have been clearly perceived, ever since the **creation of the world**, in the things that have been made. So they are without excuse.

Biologists must constantly keep in mind that
what they see was not designed, but rather
evolved.

Chance is the only source of true novelty.

What I can't understand is why you can't see the extraordinary beauty of the idea that life started from nothing – that is such a staggering, elegant, beautiful thing, why would you want to clutter it up with something so messy as a God?"

Overlaid on the image is a large block of text in a white, sans-serif font with a black outline. The text is centered and reads: "At this point, godless materialists might be cheering. If humans evolved strictly by mutation and natural selection, who needs God to explain us? To this, I reply: I do. The comparison of chimp and human sequences, interesting as it is, does not tell us what it means to be human. In my views, DNA sequence alone, even if accompanied by a vast trove of data on biological function, will never explain certain special human attributes, such as the knowledge of the Moral Law and the universal search for God. Freeing God from the burden of special acts of creation does not remove Him as the source of the things that make humanity special, and of the universe itself. It merely shows us something of how He operates."

“The conclusion of intelligent design flows naturally from the data itself—not from sacred books or sectarian beliefs. Inferring that biochemical systems were designed by an intelligent agent is a humdrum process that requires no new principles of logic or science. It comes simply from the hard work that biochemistry has done over the past forty years, combined with consideration of the way in which we reach conclusions of design every day.”

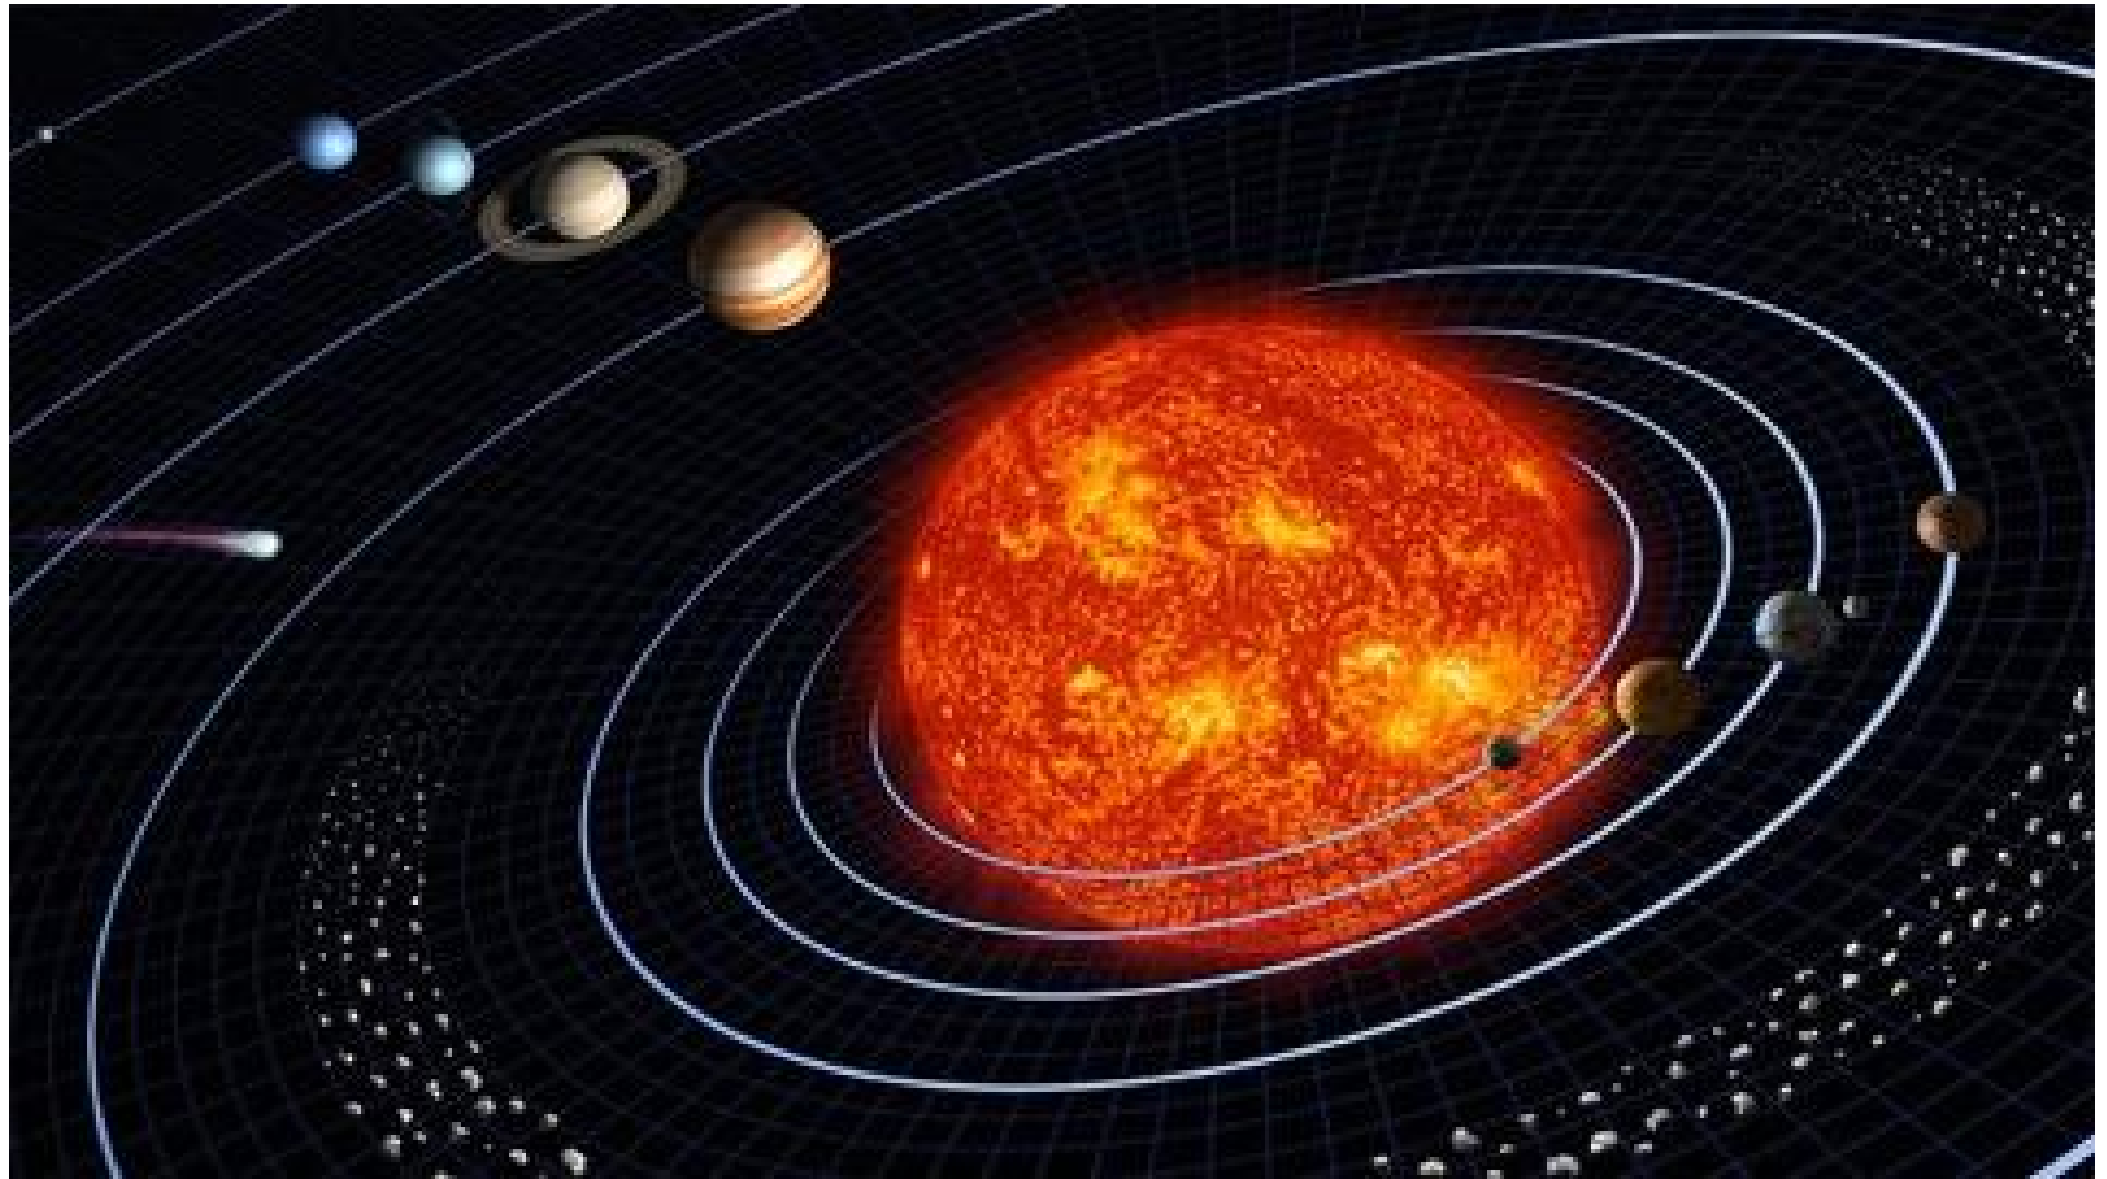

Michael J. Behe

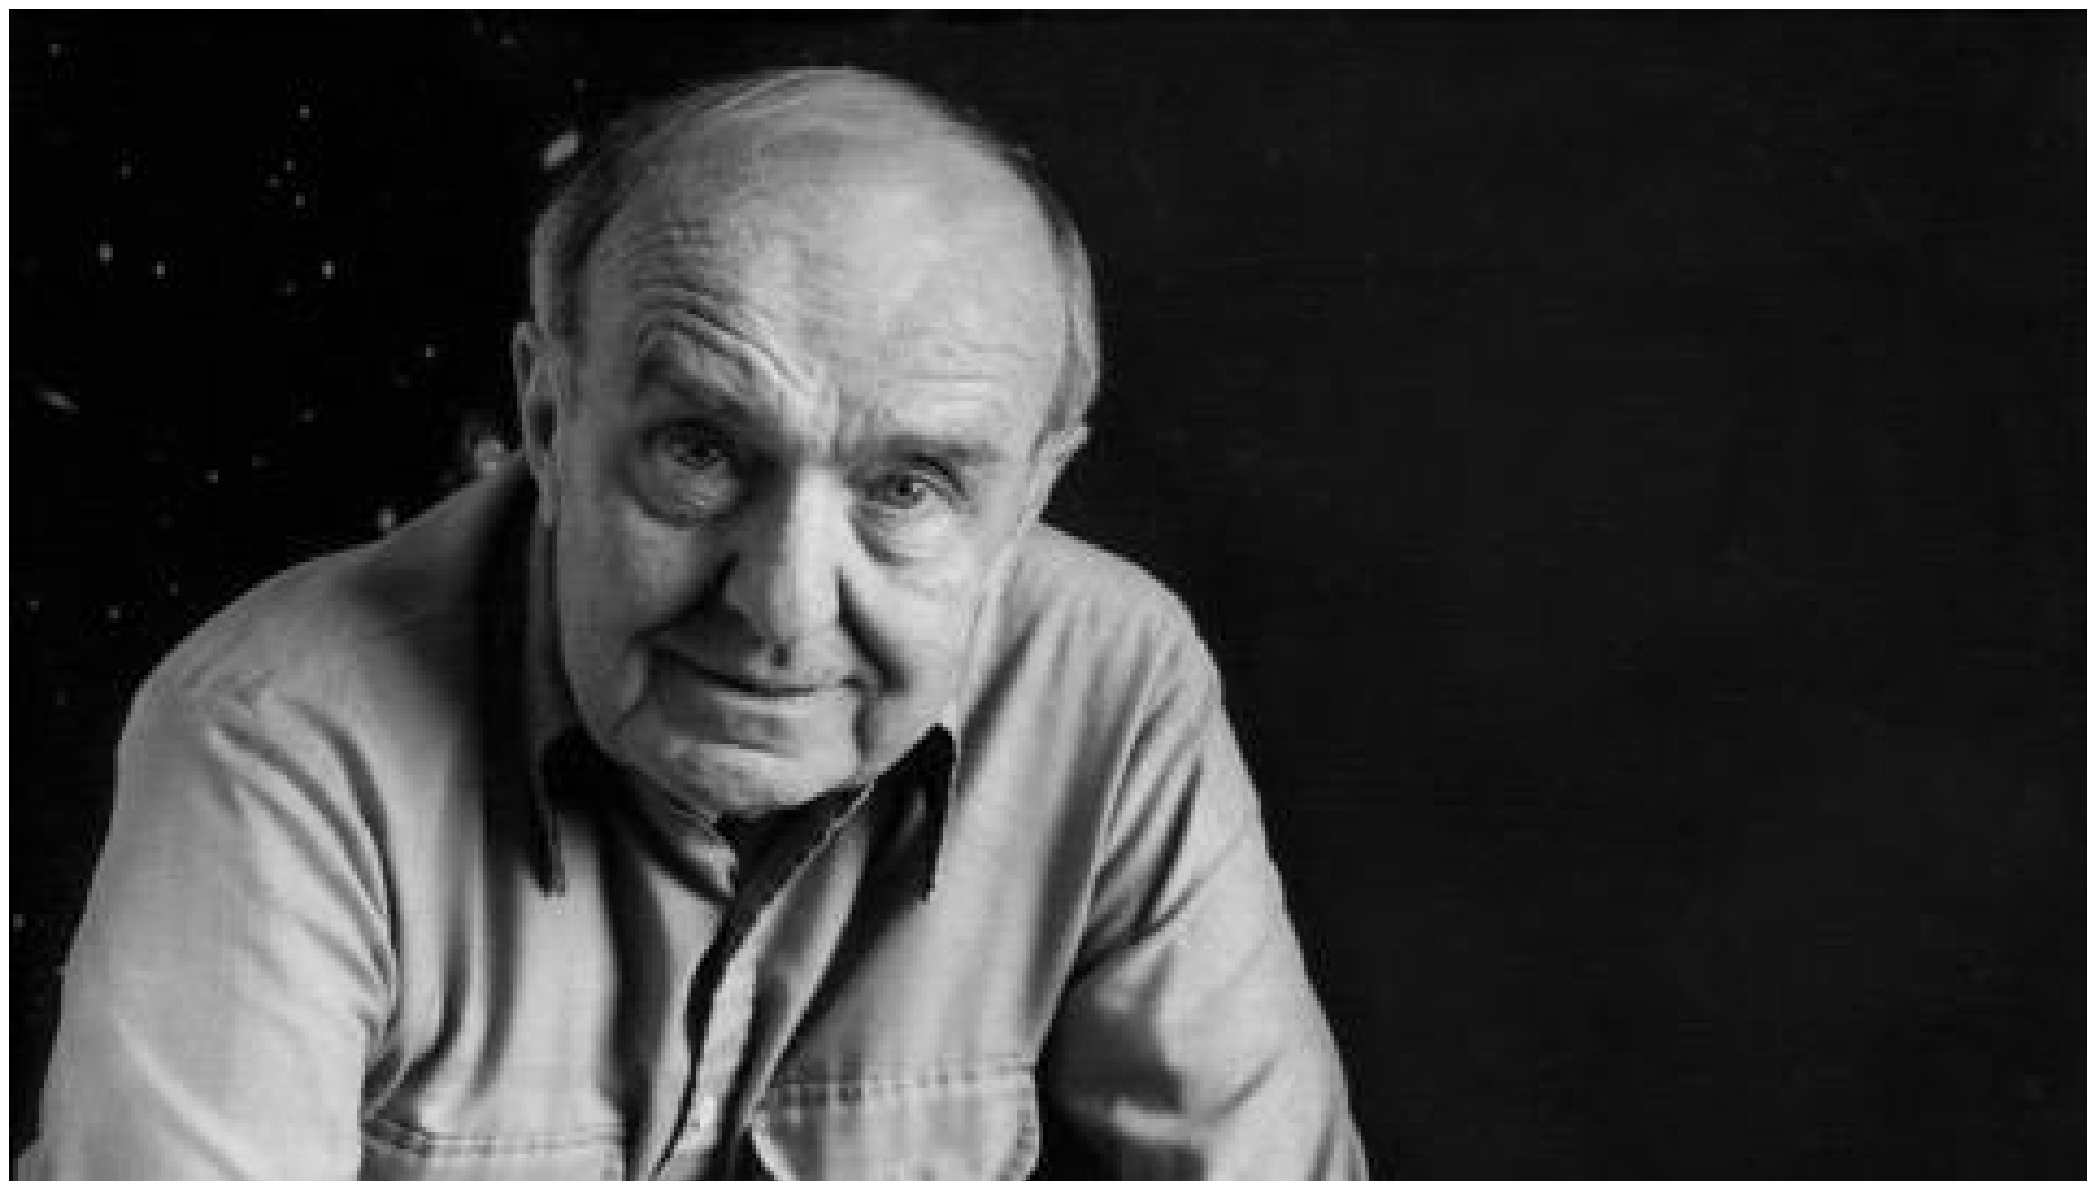

"When it comes to the origin of life there are only two possibilities: creation or spontaneous generation. There is no third way. Spontaneous generation was disproved by Louis Pasteur and others 120 years ago, but that leads us to only one other conclusion, that of supernatural creation. We cannot accept that on philosophical grounds; therefore, we choose to believe the impossible: that life arose spontaneously by chance!"

George Wald

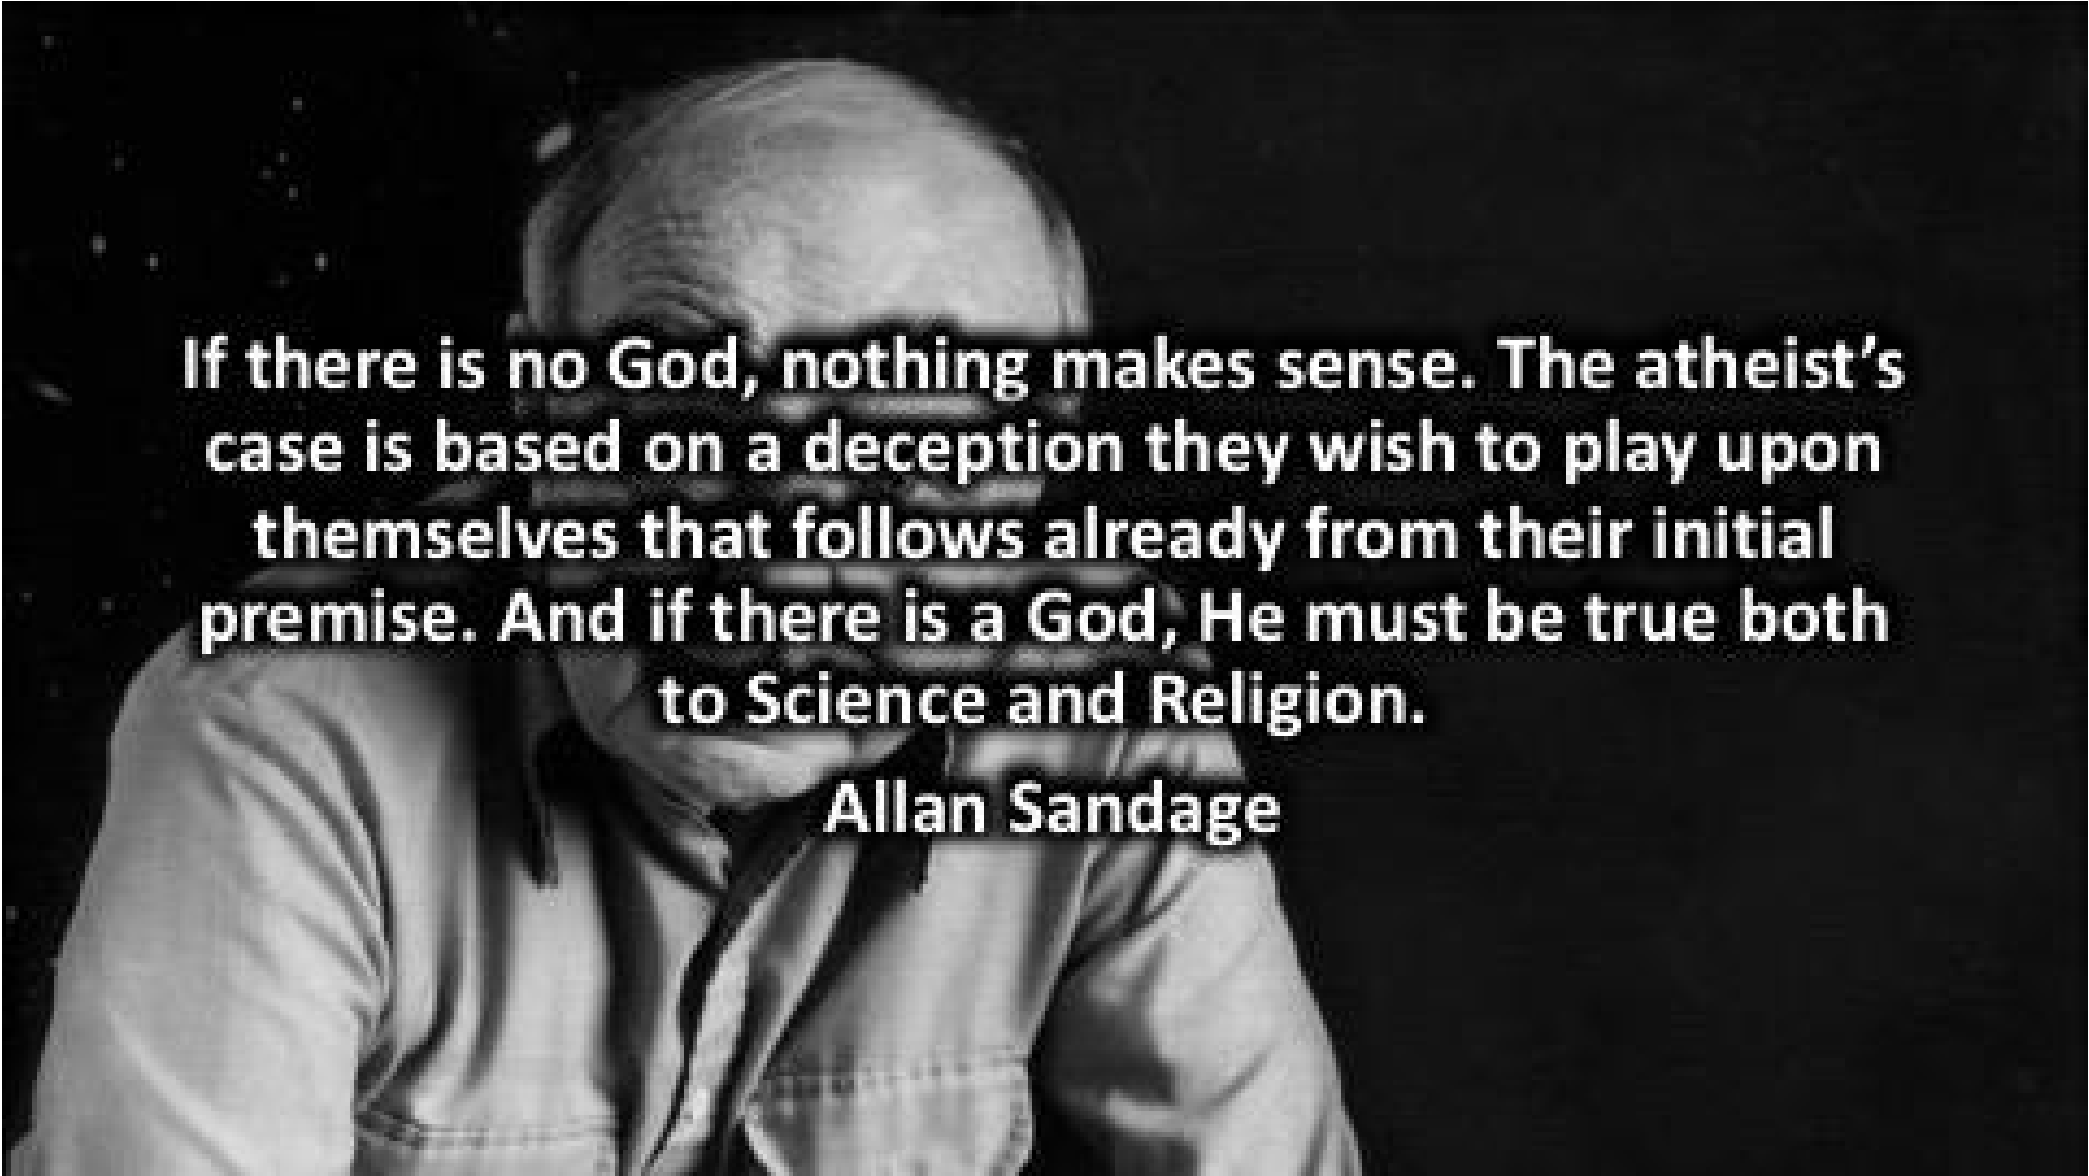

For thus says the LORD,
who created the heavens
(he is God!),
who formed the earth and made it
(he established it;
he did not create it empty,
he formed it to be inhabited!):
"I am the LORD, and there is no other."
Isaiah 45:18

If there is no God, nothing makes sense. The atheist's case is based on a deception they wish to play upon themselves that follows already from their initial premise. And if there is a God, He must be true both to Science and Religion.

Allan Sandage

The scientific method can teach us nothing else beyond how facts are related to, and conditioned by, each other. Yet to live well and meaningfully, human beings need more than what a "purely rational conception of our existence is able to offer".

ASTRONOMY

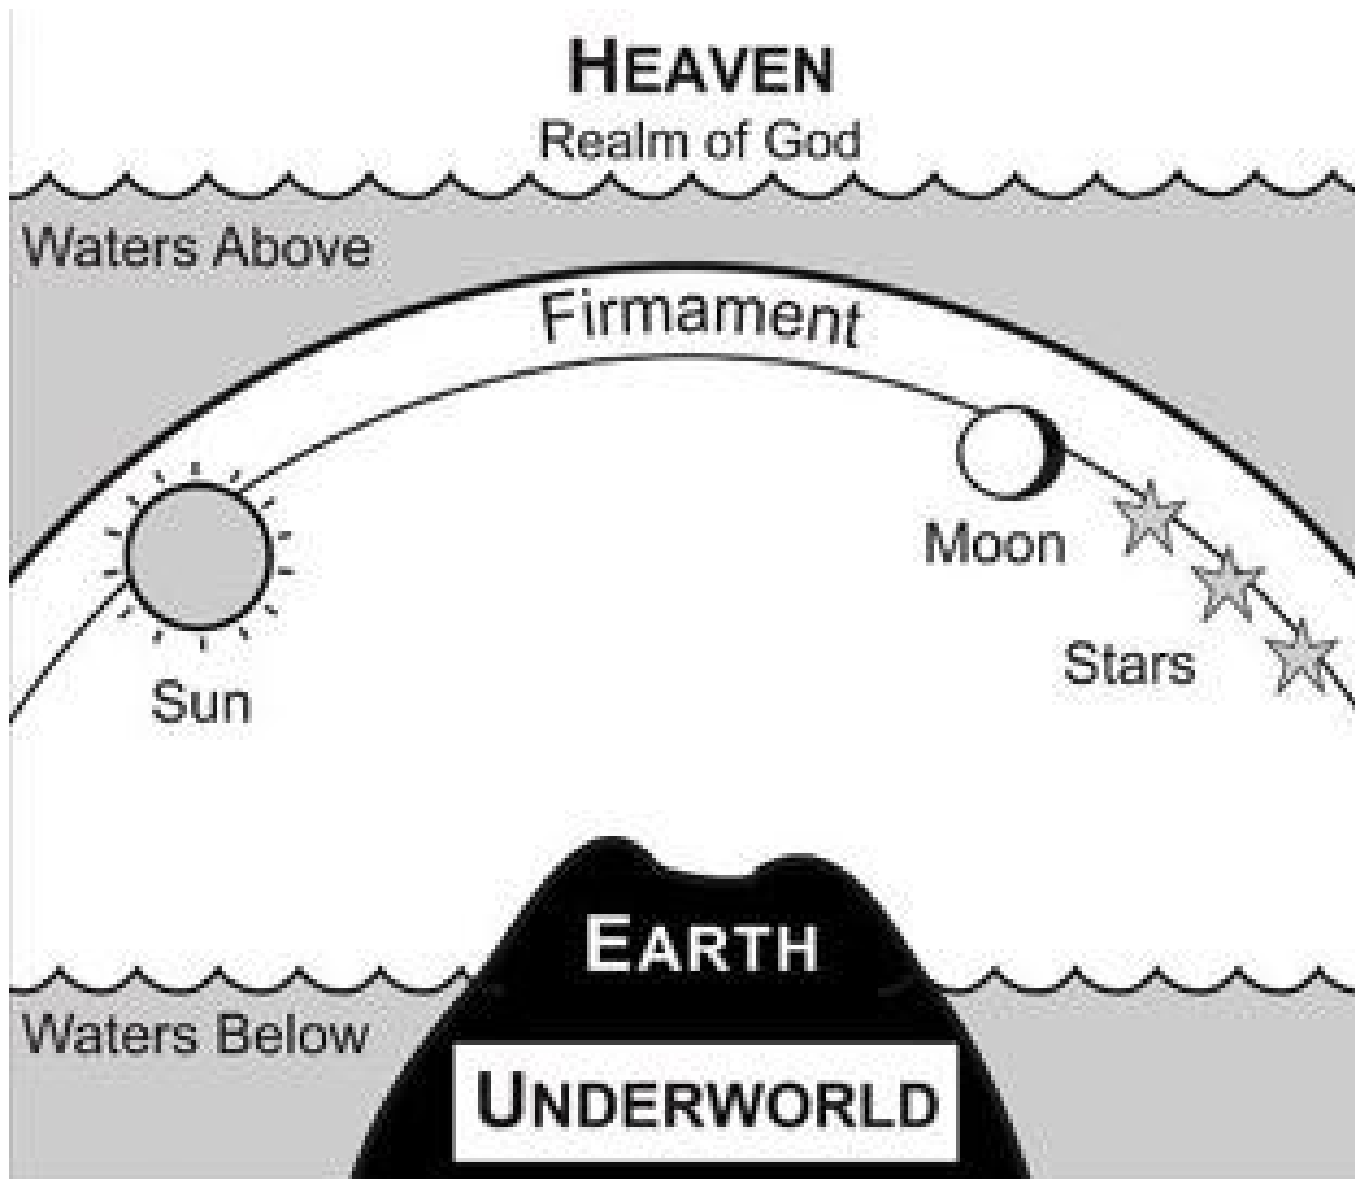

#1 The immensity of the universe

**Is not God high in the heavens?
See the highest stars, how lofty they are!
Job 22:12**

**“Can you find out the deep things of God?
Can you find out the limit of the Almighty?
It is **higher than heaven**—what can you do?
Deeper than Sheol—what can you know?
Job 11:7-8**

For as high as the heavens are above the earth,
so great is his steadfast love toward
those who fear him;
Psalm 103:11

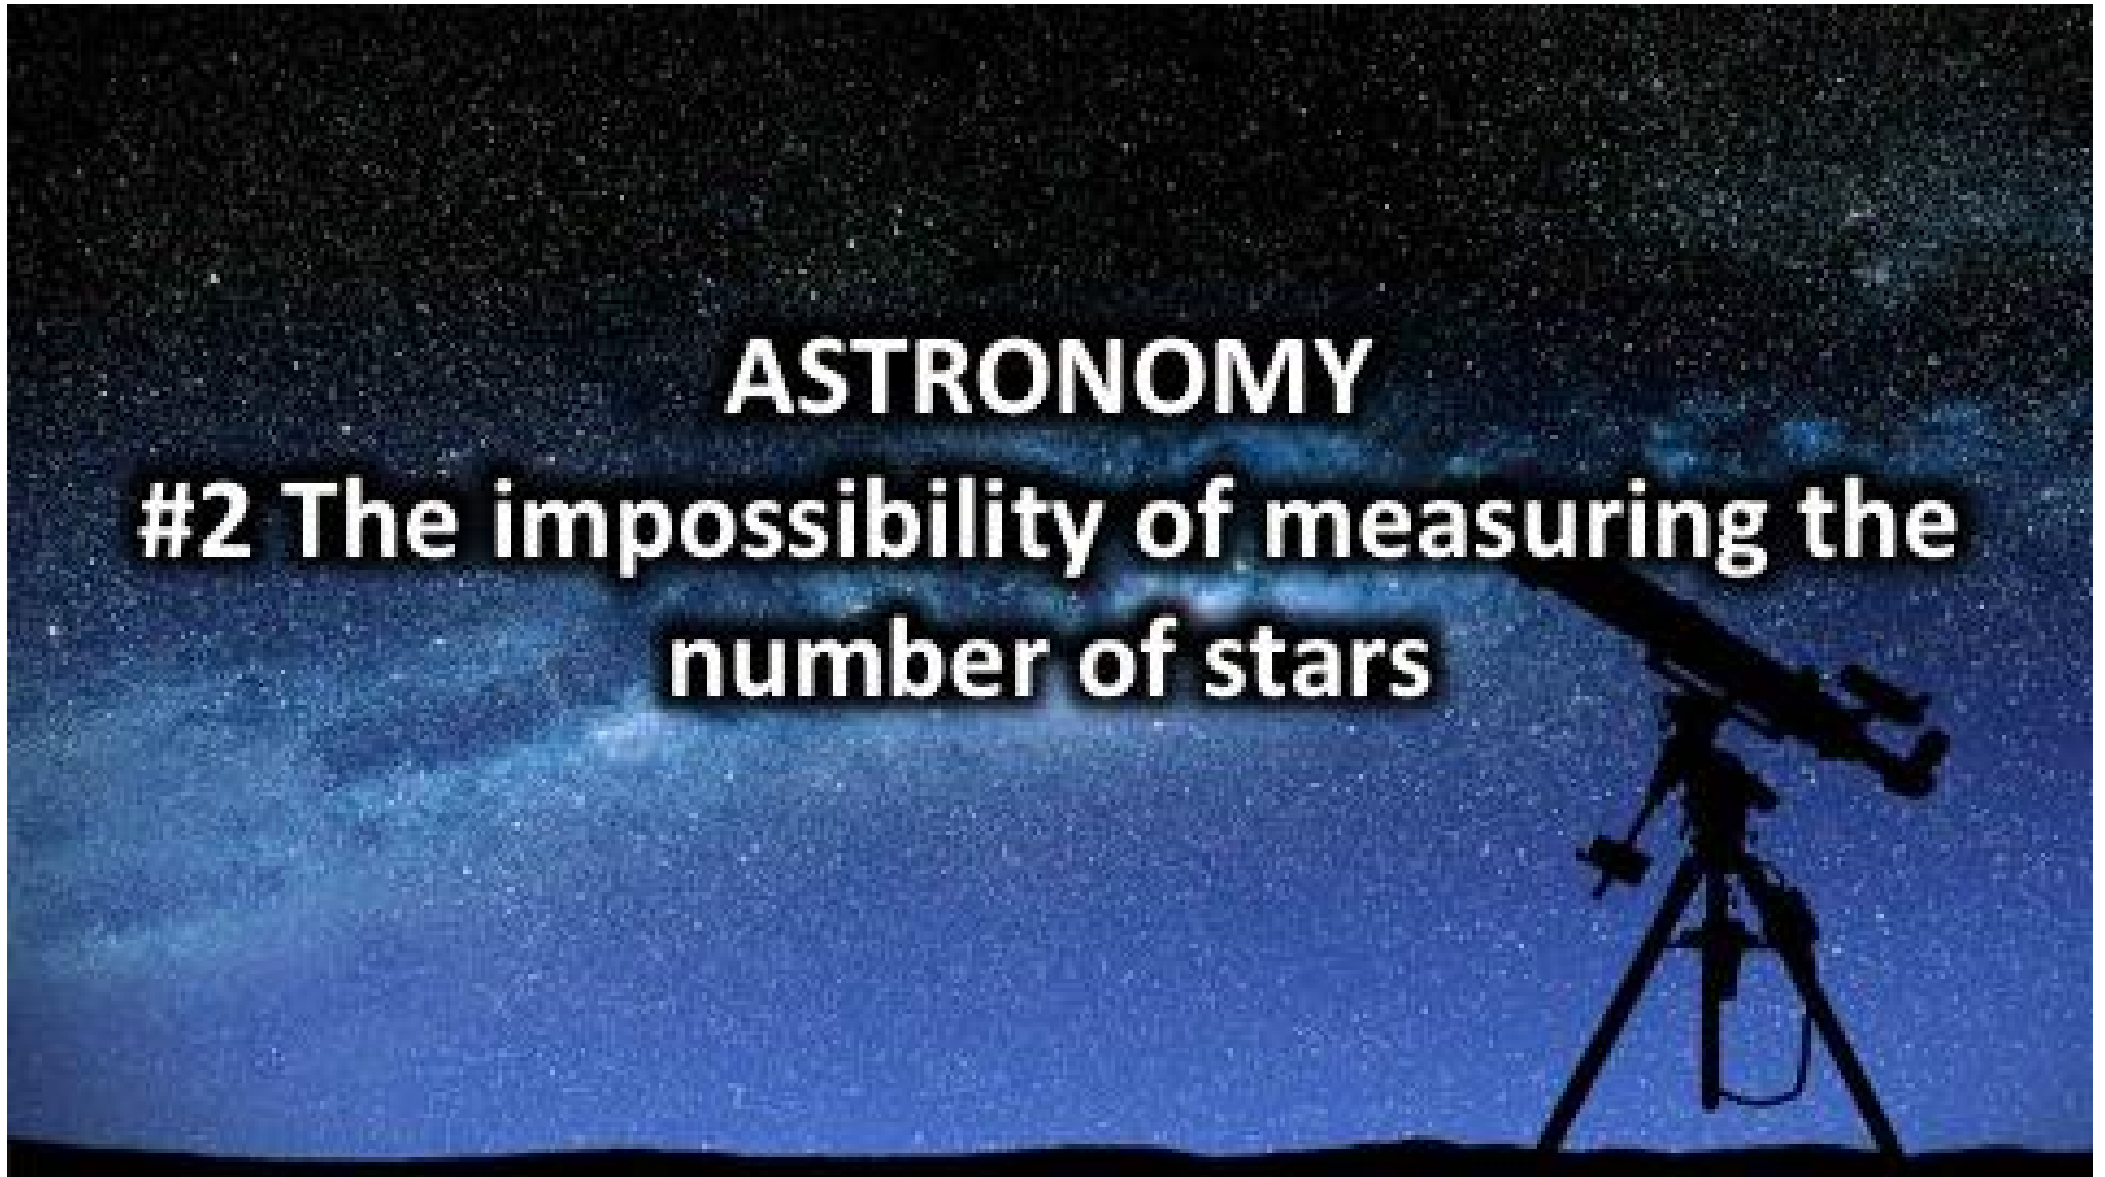

For as the heavens are higher than the earth,
so are my ways higher than your ways
and my thoughts than your thoughts.
Isaiah 55:9

Thus says the LORD:
"If the heavens above can be measured,
and the foundations of the earth below can be explored,
then I will cast off all the offspring of Israel
for all that they have done,
declares the LORD."
Jeremiah 31:37

ASTRONOMY

#2 The impossibility of measuring the number of stars

**As the host of heaven cannot be numbered and the
sands of the sea cannot be measured, so I will
multiply the offspring of David my servant, and the
Levitical priests who minister to me.”
Jeremiah 33:22**

And he brought him outside and said, "Look toward heaven, and **number the stars, if you are able to number them.**" Then he said to him, "So shall your offspring be."

Genesis 15:5

**Lift up your eyes on high and see:
who created these?
He who brings out their host by number,
calling them all by name;
by the greatness of his might
and because he is strong in power,
not one is missing.
Isaiah 40:26**

**¹²Therefore from one man, and him as good as dead,
were born descendants as many as the stars of
heaven and as many as the innumerable grains of
sand by the seashore.**

Hebrews 11:12

ASTRONOMY

#3 Stars travel through space in fixed orbits

Thus says the LORD,
who gives the sun for light by day
and the fixed order of the moon and the stars for light by night,
who stirs up the sea so that its waves roar—
the LORD of hosts is his name:
“If this fixed order departs
from before me, declares the LORD,
then shall the offspring of Israel cease
from being a nation before me forever.”
Jeremiah 31:35-36

**Their voice goes out through all the earth,
and their words to the end of the world.
In them he has set a tent for the sun,
which comes out like a bridegroom leaving his chamber and,
like a strong man, runs its course with joy. Its rising is from
the end of the heavens,
and its circuit to the end of them,
and there is nothing hidden from its heat.
Psalms 19:4-8**

A night sky filled with stars and the Milky Way galaxy. The galaxy is visible as a bright, blueish-white band of light stretching across the sky. In the foreground, the silhouette of a telescope on a tripod is visible on the right side, pointing towards the sky. The overall scene is dark, with the stars and galaxy providing the primary light source.

ASTRONOMY
#4 Stars are different

**He determines the number of the stars;
he gives to all of them their names.
Psalms 147:4**

**There is one glory of the sun, and another
glory of the moon, and another glory of the
stars; for star differs from star in glory.
1 Corinthians 15:41**

ASTRONOMY

#5 The universe is expanding

**Thus says God, the LORD,
who created the heavens and stretched them out,
who spread out the earth and what comes from it,
who gives breath to the people on it
and spirit to those who walk in it:**

Isaiah 42:5

covering yourself with light as with a garment,
stretching out the heavens like a tent.

Psalm 104:2

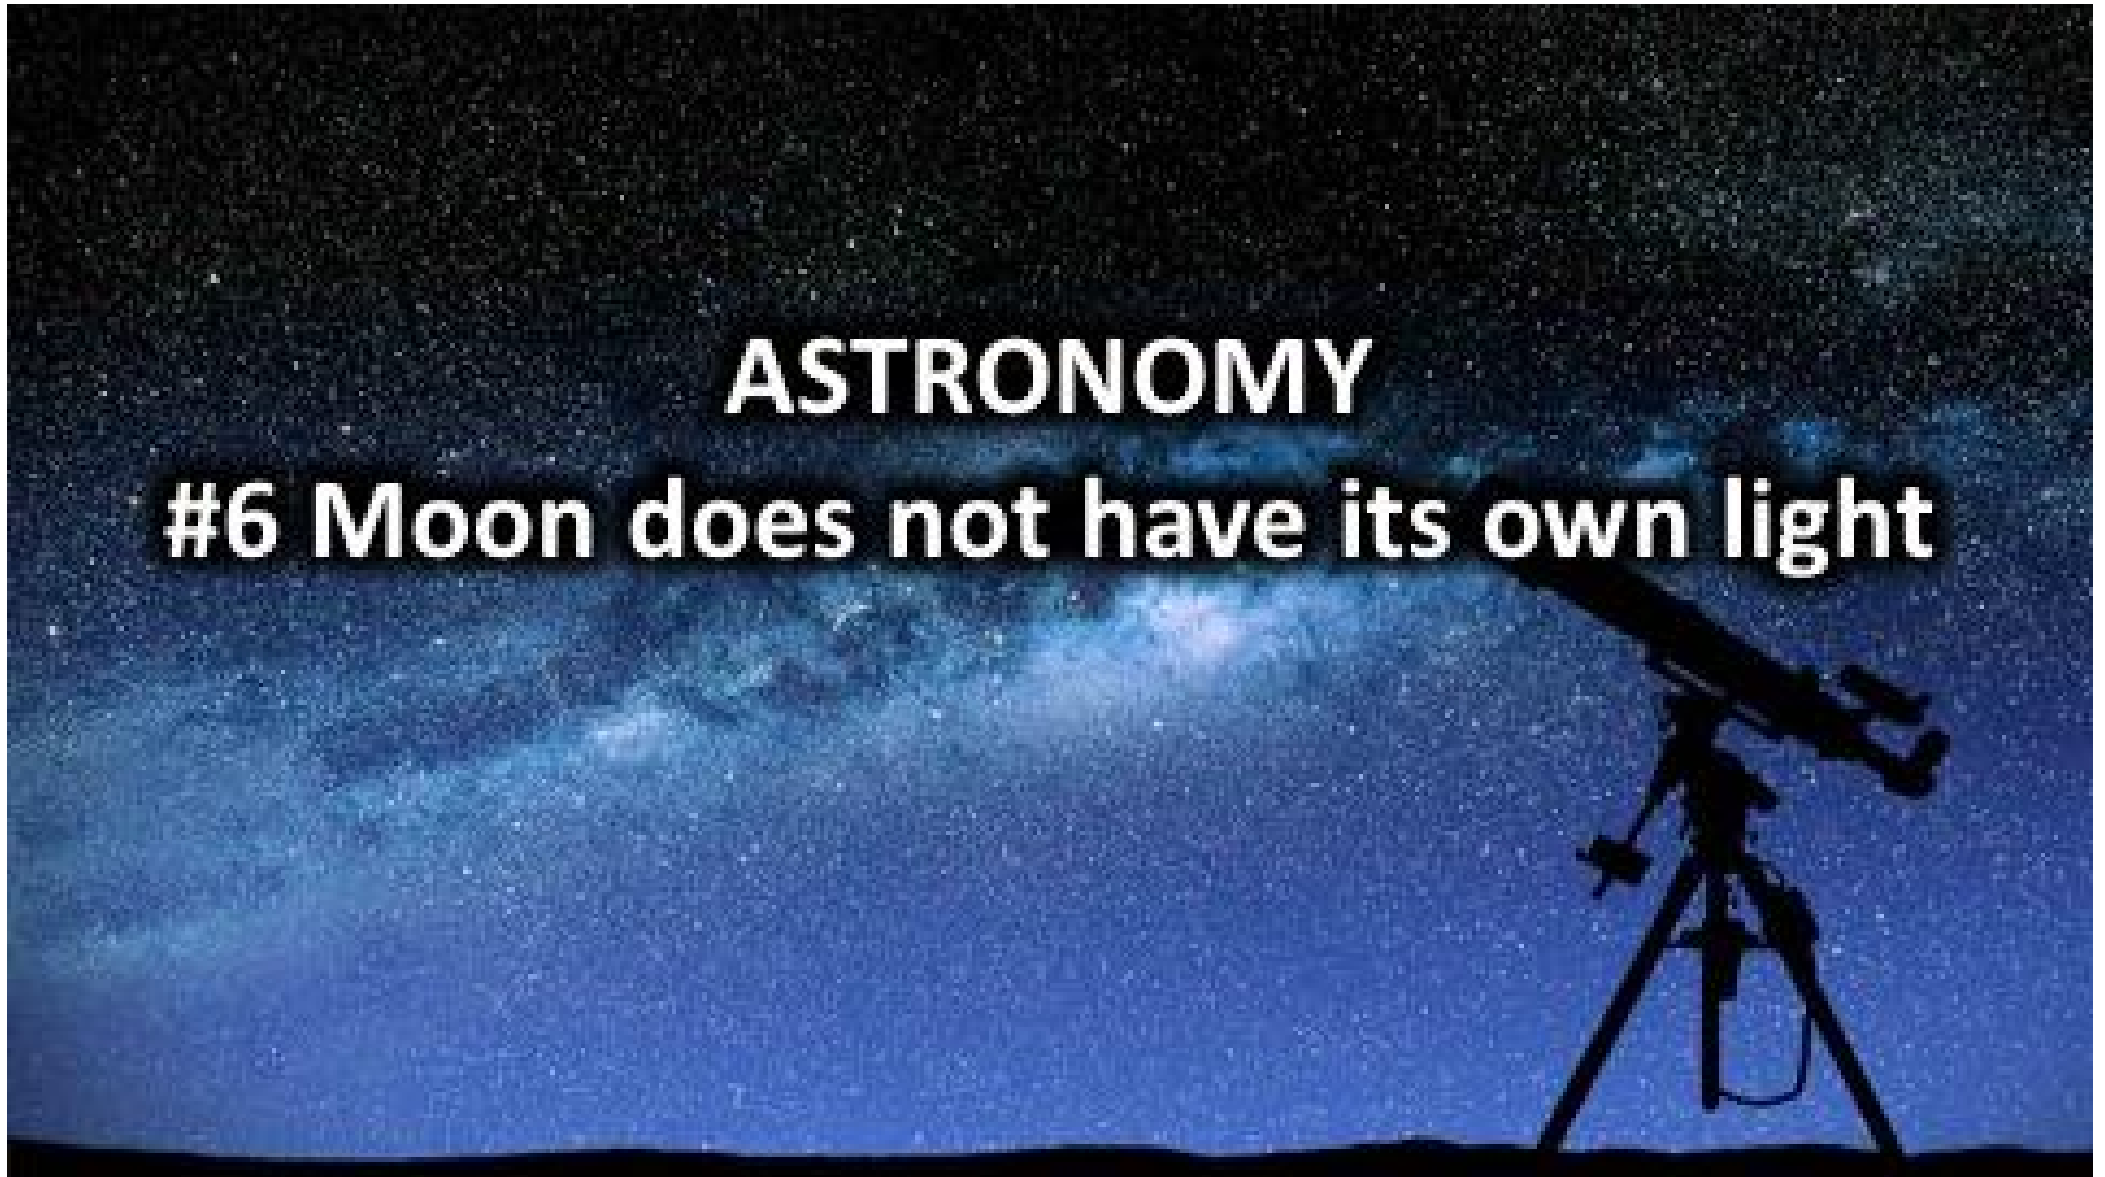

**The oracle of the word of the LORD concerning
Israel: Thus declares the LORD, who stretched
out the heavens and founded the earth
and formed the spirit of man within him
Zechariah 12:1**

Behold, even the moon is not bright,
and the stars are not pure in his eyes;

or loose the cords of Orion?
Job 38:31**

and the hills in a balance?
Isaiah 40:12**

He established the earth upon its foundations,
So that it **will not totter** forever and ever.

What does Science reveal?

Romans 1:20
