## BIBLICAL FOUNDATION FOR CHARACTER

### BIBLICAL FOUNDATION FOR CHARACTER (BFC) TRAINING WORKSHOP

The Bible Study Ministry is pleased to introduce this workshop conducted by a godly and experienced couple in our church. I am sure that every parent, children ministry worker or caregiver who attends this will be deeply blessed! Do read on and find out more...

In recent years, church leaders around the world have acknowledged the need for a standard of character (as reflected in Scripture) in churches and families. BFC is a Bible-based curriculum developed for use with the Character First! Education (CF!E) Curriculum to meet this need.

True character is revealed by what a person does when no one is watching. It is a personal development, but has a far-reaching effect on others. The moment-by-moment decisions that our character values help us make will impact the church or school morale, productivity and quality of work. At the end of the day, these same character values affect relationships at home.

*"Train up a child in the way he should go; and when he is old he will not depart from it."* – Proverbs 22:6. This workshop aims to train adults who desire to teach and develop Christlike character in children from ages 4 to 12. It calls for committed parents and teachers who would provide that leadership and be willing to serve as testimonies of the character qualities taught.

The trainers have been involved in the teaching of character values since 2000 in Singapore, Malaysia and Indonesia. Some of the topics covered during the workshop are:

- God's Principles in Character Building
- Song leading Techniques
- Memory Work (Psalm 119:11)
- Effective Implementation
- Equipping for Challenges
- Storytelling Techniques
- Building & Developing Character
- Character-Based Correction
