

Monthly Average

**GROWING ATTENDANCE**

We are thankful that there has been steady growth in our English Worship Service attendance over the past one-and-a-half years. In late 2016, our average monthly attendance was 718. It rose to 1282 this month. In fact, last week, we had a new high of 1,316! We rejoice because the numbers represent precious souls who get to hear the glorious Gospel of Jesus Christ.

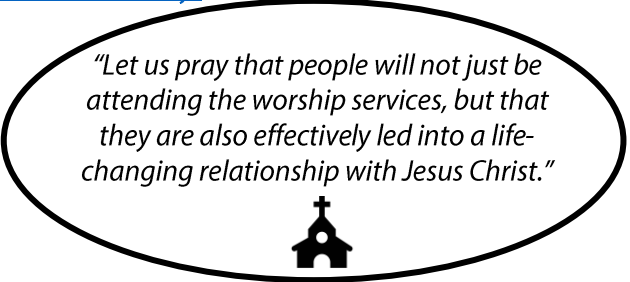

Now, let us not be lifted up in pride, as if it were what we earned by ourselves. Let us be reminded that it is God alone who has given the increase. May we be humbled that He has chosen to use us to proclaim His Word. Let us also rejoice that He has used many of you to bring in loved ones and friends to hear His Word. Most of all, let us pray that people will not just be attending the worship services, but that they are also effectively led into a life-changing relationship with Jesus Christ.

In light of this growth trajectory, please pray for:

1. The launch of our 3rd English Worship Service in the second half of this year (more details to come).
2. More Care Group Leaders and Care Groups to start in Punggol to serve one another in community.
3. More volunteers to serve one another in essential church ministries.
4. That Gospeliters will be missional: we must not sit back and be complacent with people just walking into church, but we must be actively reaching out to obey the Great Commission in our personal lives.

Most of all, let us remember that our ministry goal is not just a building filled with people, but a people filled with God! So let us continue to press on towards our Vision of "An Acts Church for Today" by fulfilling our Mission of "Leading Generations into a Life-changing Relationship with Jesus Christ." For more of what this means, see <https://gospellight.sg/who/an-acts-church-for-today/>.

Blessings,  
Pastor Jason Lim
