EXPOSITORY BIBLE STUDY

Our weekly Expository Bible Study will resume on 23 October with the study of a new book, Revelation. This is an exciting and very relevant book for all believers today. Yet many Christians, even those of us who have known the Lord for many years, struggle to interpret and understand the meanings of many of the symbols used in, and the underlying themes and message of, the book. We strongly encourage all who wish to learn to interpret this complex book and understand God's plan for the ages to join us for a feast of God's Word at our Expository Bible Study.
