Parable of the Sower

A sower went out to sow. v3

And as he sowed, some seeds fell along the path, v4

And as he sowed, some seeds fell along the path,
and the birds came and devoured them. v4

Other seeds fell on rocky ground, where they did not have much soil, and immediately they sprang up, since they had no depth of soil, v5

but when the sun rose they were scorched.
And since they had no root, they withered away. v6

Other seeds fell among thorns,
and the thorns grew up and choked them. v7

Other seeds fell on good soil and produced grain,
some a hundredfold, some sixty, some thirty. v8

knowing that suffering produces endurance, and endurance
produces character, and character produces hope,
