CARE GROUPS

Get connected to our church family and community!

CARE GROUP

Getting connected in a big church community can be daunting. We believe the best place to start developing authentic friendships is through our Care Groups. They provide the ideal environment for building up relationships and finding encouragement.

The purpose of our groups is to provide care. We do this via **C.A.R.E.S** –

Connect: getting to know one another
Adore: thanking and praising God
Reach-out: welcoming newcomers and pre-believers
Edify: building one another up in the faith
Serve: meeting one another's needs
