

**UPSIDE
DOWN
KINGDOM**

A yellow, rounded character with a black dot for a head, a black tie, and thin legs. It is positioned behind the text.

Have you ever wondered if your life is really **right side up** or **upside down**? If everyone can define right and wrong on their own terms, doesn't that make life **confusing**?

Jesus came to bring **truth and direction** to a world that's upside down. He came to turn the world on **its head** so that He could turn **our hearts** back to Him.

But when you're finally a citizen of His **UPSIDE-DOWN Kingdom**, can you hope to live a life that's right side up.
