“ We often think of children as the future of the church. Perhaps it might surprise you to realise the bible says believing children are the present church. ”

SONSHINE CLUB RECRUITMENT

Ministry to children is important to the church. I would like to suggest three “I”s from Scripture as reasons.

The first “I” is **Invitation**. In Matthew 19:13-15, children were brought to Jesus so He might lay his hands on them and pray. The disciples rebuked the people for doing this. But Jesus said, “Let the little children come to me and do not hinder them...” Jesus desires and invites children to come to him, and does not want them to be hindered. This also reveals children can come to salvation at an early age.

The second “I” is **Identity**. We often think of children as the church’s future. However, Paul identified believing children as part of churches in his letters (Ephesians 6:1 and Colossians 3:20). He commanded children of the churches to obey their parents in the Lord, recognising children as part of the body of believers. Therefore, we need to equip and disciple children for present ministry, and build up the body of Christ.

The third “I” is **Intentional**. Joshua died when he was 110. He had brought Israel into the Promised Land and led a generation through many victories. However, after the death of Joshua and those who had seen God’s mighty acts, “there arose another generation after them, who did not know the Lord...” It is sad that Joshua’s generation did not pass down the faith. As families, we must intentionally hand down the faith to future generations.

Attendance at Gospel Light’s Children Ministry, the sunshine CLUB, has been growing substantially. From about 100 children every Sunday in 2016, we have more than 250 children now. We are in great need of more volunteers to invite the children to the Gospel, recognise their identity in Christ, and intentionally lead them into life-changing relationships with Jesus Christ.

"Do you have enough faith to believe God DOESN'T exist?" Before you reject Christianity, at least understand what it's all about. Christianity isn't blind faith, it calls for a reasonable trust in God and the Bible. Even if you don't think Christianity is true, you have nothing to lose by exploring it.
