## MINISTRY VOICES: BEFRIENDING

I first visited Gospel Light in April 2016. At that time, the church was worshipping in Furama Riverfront Hotel. When I walked into the foyer with my family, there must have been about a hundred other people walking about. Some were leaving after the first service and some were making their way towards the ballroom for the second service.

Amidst the crowd, Terri from the Welcome Team noticed us, and came over to greet and welcome us. She gave us a welcome pack and showed us where to go.

After the service, we were again standing around in the foyer when Patrick and Cecelia from the Befrienders Team came over to talk to us. They offered us coffee, and made us feel comfortable and welcomed.

Although we had only planned to come for a visit that Sunday, we ended up staying in Gospel Light. The warmth and hospitality we experienced was one of the reasons we decided to make Gospel Light our new home.

It is important for Gospeliters to make visitors feel welcomed. This is not because we are good people or a friendly bunch, but because we are God's people. And this is what God has called us to do (1 Pet 4:8, 9).

Befriending people is what we do in the Befrienders Team. We befriend newcomers and not-so-newcomers alike. We want our visitors to feel welcomed, and to experience the warmth and hospitality of God's people.

Every Gospeliter should be a befriender, regardless of whether you are in the Befrienders Team or not. Say "hi" to the visitor sitting beside you in church. Have lunch with someone sitting by himself or herself after church. Help us make Gospel Light a place where every visitor will feel the warmth of Christian hospitality!
