

## THE FINAL ENEMY

This Easter let's remember Jesus came to defeat an enemy greater than Covid-19. He came to defeat death itself.

Death stalks us. Every moment is a countdown to the inevitable encounter. The days of our life are ambushed and hunted by this silent predator. But the realization of its lurking presence comes to us differently. As children, death is not a tangible enemy. It has not sunk its toxin into our consciousness. But the waking reality of loss can come through the death of a loved one or parent. We grow and we see death's victims mount and we begin to feel the fatal nagging threat of its presence around us.

But something happens. We grow desensitized to death's ability to destroy. The culture teaches you to embrace your finiteness – 'A thing isn't beautiful because it lasts'. Death becomes an empowering factor to make living our best life now necessary. We strive, we reach, we consolidate. We think we have outsmarted death with our efficiency in building possession and popularity. We are lured to believe we can have victory. But death hasn't been defeated, it's only been delayed by deadly distractions.

The Bible teaches that death is an enemy. It is the final enemy. From the day that it crept into Eden, the devil has used it to murder countless lives. Death is an enemy that needs to be overcome. But only one person has led the cavalry charge and stared into the face of death and won. Only one person has conquered death and now leads a revolution to call many more who will follow Him. Jesus is the first-born from the dead. He has received the death penalty for sin. But through His own death, He has conquered death. Friends, today take hold of Jesus' words and live. "I am the resurrection and the life. Whoever believes in me, though he dies, yet shall he live, and everyone who lives and believes in me shall never die." (John 11:25-26)

## EXPOSITORY BIBLE STUDY

By: Brother Jerry Koh  
Topic: 1 John  
Tues | 8pm | 14 Apr

We will be conducting our Bible Study "live" online via Zoom. Please download Zoom on your device (computer or handphone), and click on the following link: <https://zoom.us/j/2627707942>

We will be revising what we have studied so far in 1 John. We will also start on a new passage in 1 John 2:18-21, where the reality of the conflict between truth and falsehood is brought into sharp focus by the presence of the anti-Christian teachers. This conflict between divine truth and anti-Christian error assures the believer of the validity of his faith as John calls attention to the crisis facing believers. This passage is important for Christians today who encounter many false teachings, and it indicates the resources of true believers to deal with these heretical opponents. Hence, we encourage as many of you who are available to join us online. Newcomers are also welcome.

Class starts at 8pm SHARP.
