

### FACING THE STORMS TOGETHER

It has been almost 6 months since COVID-19 hit Singapore, and how things have changed. Services have moved online and so have Care Group (CG) meetings. However, one thing that has not changed is our desire to be connected with God and one another.

Thanks to video-conferencing platforms, our CG is able to keep in contact virtually, and continue sermon discussions as well as the application of the gospel to our homes and lives. We are thankful that we can still come together to worship God and be reminded of His goodness amidst trying times. The CG also allows members to share their thanksgiving and prayer needs.

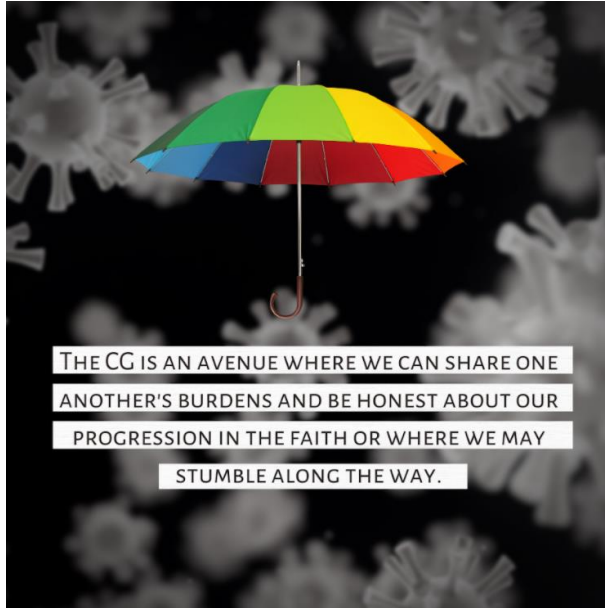

Our CG has been blessed by simple acts of kindness. For example, a family ordered ice cream to be delivered to various CG members' homes! Beyond these simple acts, I am also greatly encouraged by the sharing from members on how they desire to know God deeper as they spend more time at home during this period, and how they want to be used by God to reach out to loved ones.

There are no perfect CGs, but in the CG we can see God maturing each person through the Word. The CG is an avenue through which we can share one another's burdens, and be honest about our progression in the faith or where we may be stumbling. This can encourage those who are down and point them in the direction of Christ, through the gospel.

Finally, the word of God is central to the CG in worship, in study and in prayer, and it helps us to frame events from a biblical perspective, so that we may not lose sight of God's plan for each of us. May each CG continue to encourage and build one another up for the glory of God.

*1 Thess 5:11 "Therefore encourage one another and build one another up, just as you are doing."*

In Christ,  
Justin Cai  
Care Group Leader
