

YA IS NOW VARSITY!

Previously known as YA Ministry, or the Young Adults Ministry, the now renamed Varsity Ministry aims to lead tertiary students and those serving full-time national service into a life-changing relationship with Jesus Christ. It is a ministry that is rooted in the study and the application of scriptures.

I would like to take this opportunity to thank Elder Jeffrey Pang for serving and leading the YA Ministry for the past few years, stepping in at a time when we needed a spiritual leader. Thank you, Jeff, for your readiness to serve!

Brother Luzerne Cheng will now officially take over as the leader or shepherd of the Varsity Ministry. You can say Luzerne is "home-grown", having been in church fellowship since a young age. He has also spent a year interning with Gospel Light, and is now studying in a local theological college to equip himself further. Please pray for him and the ministry.

I am excited and hopeful that God will use the ministry to lead many more young men and women into a life-changing relationship with Jesus Christ!

THE GREAT COMMISSION AND VARSITY

I am so grateful for this opportunity to serve in the church that I grew up in. Gospel Light has given me so much, and I am thankful to be able to serve our God here.

Varsity Ministry is for anyone in university or serving full-time national service. This life phase shaped me tremendously. It was when God led me to full-time ministry instead of signing on with the army or to become a HR professional. It was also during this period when my wife and I started dating. I received godly guidance and influence as I made major decisions during this phase of my life, and it is now my privilege to provide the same in the ministry.

My heart for this generation is for them to see the beauty of the Gospel through God's Word and people so that their lives will be transformed, and they can then do the same for their classmates and fellow soldiers. That's how the Great Commission is applicable for Varsity Ministry! People from all corners of the world are connected during this life phase, and it is a great opportunity for outreach. In NS, you live with people from different backgrounds. In university, because Singapore is a global leader in education, your fellow students are from all over the world. This age group is a golden opportunity to reach the world with the life-changing Gospel.

EXPOSITORY BIBLE STUDY – BOOK OF MARK

This Tuesday (6 April), we will study Mark 6:1-13. The earlier ministry of Jesus throughout Galilee had resulted in huge crowds of eager listeners and many instances of faith. This tour, however, will see the growth of opposition and more open displays of hostility. In Mark 6:1-6, we read about Jesus' visit to Nazareth. Upon leaving Capernaum where the preceding miracles had occurred, Jesus made a visit to His hometown of Nazareth. He was accompanied by His disciples. Next, we read about Jesus' sending out of the Twelve in Mark 6:7-13. The Twelve were empowered to deal with unclean spirits, just as Jesus had been doing. Thus they were His fully authorised representatives.
