

CARE GROUPS – CONNECTING OUR CHURCH COMMUNITY

Gospel Light is a big place. If you are new, it can be a lonely place. Part of the growing pains of a large church is that many can slip through our back doors as easily as through the front. As such, some may quietly miss the opportunity to experience authentic, gospel-centred relationships in the church. Care Groups thus exist as an important means for the church to live out the biblical call to community.

As people made in the image of God, we share a relational likeness to Him. God exists as a trinity- an eternal and glorious triune relationship. From the bliss of this eternal relationship, God calls us also to pursue community and fellowship with other believers.

A Care Group is primarily a community of care. We can see what this means in the acronym **C.A.R.E.S.**

- Connect** : Getting to know one another and to build relationships
- Adore** : Praise and thank God in worship and fellowship
- Reach-out** : Extend hospitality to seekers and newcomers
- Edifying** : Spur each other to spiritual growth, love and ministry
- Serve** : Meeting the needs of one another

A Care Group is a place to experience and live out unconditional love for each other. Come just as you are. Care Groups are communities of imperfect people redeemed by grace and united by the power of the gospel.

To find out more about a Care Group in your area, or indicate your interest to join one, visit this link gospellight.sg > Connect > Care Groups or call us at 9776-1377.
