

**BULLETPROOF MARRIAGE**

**1) What does bulletproofing your marriage mean?**

The Bulletproof Marriage Workshop is a GLCC-developed program to strengthen marriages. Couples will be learning skills to improve critical aspects of their relationship, over four weekly sessions. These sessions blend engaging talks with interactive breakouts, and the opportunity to journey with mentor couples.

Many of us do not realize that one of the primary ways the Devil seeks to weaken the Church is by undermining marriages. If our marriages are not right with God, we are in anguish, trying to hide from our Creator, much like Adam in the Garden of Eden. We lose the spiritual confidence that we are walking closely with God, thus impacting our missional work.

**2) Who should attend and why should married couples also consider this?**

The four-session workshop is relevant to all married couples, regardless if you have been married just one year or for more than 10, as well as couples planning to be married soon. Couples with strong foundations can use this workshop as a "tune up", while couples looking to improve certain aspects of their relationship will be able to find not just answers, but also a supportive community of brothers and sisters-in Christ to journey with.

**3) What are some of the key topics/lessons?**

Topics covered are immediately applicable - rooted in God's expectation for marriages and focused on building proper relationships, honest and open communication, as well as how to face and manage difficulties together.

**4) Testimonies from couples who have gone through the course:**

*"We really enjoyed the Bulletproof Marriage preparation course. The highlights were really meeting the mentors and having deep conversations with them about our relationship, and how we must remember that God is always at the core of our future marriage. :) We also found the format of the workshop - short big group sharing with clear learning points, followed by discussion time with assigned mentors - to be very effective." - A pre-marriage couple*

*"We benefitted much from the short and impactful preparatory course, especially in sharpening our mission in marriage and fellow participants' sharing, and were warmed by the community of fellow mentors. We look forward to journeying with many other couples in future!" - Couple married for about 10 years*

*"The workshop provides a dedicated space for us to pour out our differences. Our mentor couple was sincere in walking with us. In the process, God used His Word to help us reflect on our lives, enabling us to get out from many previous "deadlocks". We are now learning to walk together reflecting God's plan for husband and wife." - A couple married for 10+ years*

**EXPOSITORY BIBLE STUDY – BOOK OF MARK**

This Tuesday, 15 June 2021, we will be covering two passages in Mark 9:30-37. In the first passage, Mark 9:30-32, Jesus gave a second prediction of His coming death and resurrection, repeating His announcement given in Mark 8:31. In the second passage, Mark 9:33-37, we study about the embarrassing account where the Twelve were arguing about their relative positions in Christ's program and particularly His coming kingdom. But Jesus explained that being "first" in His view demands being "last" and acting like a "servant" (Mark 9:35). Please join us for our Bible Study to learn about this miracle by clicking on the following link:
