

**LET'S HOPE 2021 IS BETTER THAN 2020!**

We were all looking forward to a better year. But given the near - "circuit breaker" in the past few months, we aren't so sure that 2021 will indeed be better.

Perhaps this should cause us to reflect: what have we been hoping for? What were our goals for 2021? Some of us may have plans to travel again once vaccinated, but how about our spiritual goals and plans? In this season of physical distancing, one of the greatest challenges is to stay connected. Despite this disconnect, how have we been growing in our relationships with God and with one another? How have we aligned our lives to God's mission, or have there been hiccups in this too?

Even though COVID-19 restrictions have affected church services, it is evident that God is still at work. There have been many people who have come to visit GLCC, and many seeking Christ in our community. God is continuing His mission of building His kingdom here – pandemic or not.

For those who may have fallen a step back, let us not be discouraged, but remember God's grace and faithfulness. "Now may the God of peace himself sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ. He who calls you is faithful; He will surely do it." (1 Thessalonians 5:23-24) Let us desire to be found faithful in Him in every season.

For those who have been labouring tirelessly, may Scripture encourage and refresh us as we continue to serve Him. "And let us not grow weary of doing good, for in due season we will reap, if we do not give up. So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith." (Galatians 6:9-10)

Whatever our half-time score card for 2021 looks like, may we anchor our hope in what Christ has done, and may each day be a new opportunity to live for Him.

**• WORSHIP (CEP SERIES)**

Worship can mean different things to different people. The bible did not give us a 'one size fits all' definition of worship, which can lead to disagreements between believers on what worship should be. The bible does however give us great principles for worship that allow us to grasp the essence of what worship really is about.

Join us in a 4-week series as we discover principles by looking at: 1) What is worship 2) Why we worship 3) How we worship as individuals 4) How we worship as a congregation. We hope this would serve as a foundation to worship God with the freedom and truth as revealed in scripture.

**• EXPOSITORY BIBLE STUDY – BOOK OF MARK**

This Tuesday, 10 August, we will be studying Mark 10:32-45. Mark 10:32-34 relates Jesus' third prediction of His death and resurrection. Following Jesus' passion prediction, Mark 10:33-34 relates how the disciples, in particular James and John, jockey for position and prestige. The request of James and John in v. 37 is a blatant example of human self-centredness in contrast to Jesus' humility and self-sacrifice. In response to their request, Jesus instructs the Twelve that the economy of God's kingdom is not based on power and control but on service and giving, for the latter are not only the ethics of the kingdom but the means of redemption. Do come join us at 8pm for Bible Study to learn what Jesus is teaching us. The zoom dial-in details for our session are as follows:
