

**FROM STRANGERS TO FAMILY**

My family and I are grateful to have experienced the wonderful blessings of being part of a Care Group (CG) ever since we joined GLCC in 2001.

Indeed, CG is a significant part of our Christian journey. I am privileged to share my fellow CG members' testimonies on the importance and blessings of being in a CG:

- *I was the proverbial "solo" Christian until September 2019 when I joined the CG. My relationship with God has grown so much over the last two years. My CG supported me in my journey, as well as helped me understand the importance of studying the Scriptures and prayer. I feel very blessed that God allowed me to join the CG before Covid-19. I cannot imagine how this former worry-wart would have been, if I were deprived of the joy and peace I now have even in the midst of uncertainties due to the pandemic.*
- *The Lord enables my CG to lift me up when I am discouraged, rebuke me when I go astray, and provide me with opportunities for growth. All of which I cannot do alone.*
- *I have been a recipient of encouragement, love, care, and support. I do not feel alone especially when going through trials. We remind one another that God is in control.*
- *As Christians, having a CG is necessary for us to grow and mature in our journey in faith and grace. We will enjoy support in our journey of sanctification.*
- *CG gives me the opportunity to share God's goodness, by using the gifts God has given me and to give out the Gospel to others.*
- *I am blessed to experience God's love in my CG. From a simple "Kumusta?" (a Filipino greeting that means "How are you?"), to extending hospitality through the offer of a week-long stay at someone's home. When I asked why, they said that they had been blessed before, and they now wanted to bless others. I was amazed at how this love was then shared with me, and it made me want to pass it on.*
- *As a person who has poor social skills, it was a challenge trying to fit in with a group of strangers. I was distant, a bit awkward and frightened when I was suddenly called to share. But I am blessed, for my CG never gave up on me. Always reaching out, encouraging and listening. Eventually, those strangers ceased to be strangers. They became family.*

We hope that these heartfelt testimonies will encourage you to join a CG. Experience the blessings of being part of a family that grows together in God's love.

To God be all the glory!

**WORSHIP (CEP SERIES)**

Worship can mean different things to different people. The bible did not give us a 'one size fits all' definition of worship, which can lead to disagreements between believers on what worship should be. The bible does however give us great principles for worship that allow us to grasp the essence of what worship really is about.

Join us as we discover principles on Worship. We hope this would serve as a foundation to worship God with the freedom and truth as revealed in scripture.
