ST LUKE ELDERCARE: MINISTERING TO SENIORS

Since 2018, the Lord has opened doors for Gospel Light to partner St Luke's ElderCare. We were ministering to seniors at their Rivervale and Sumang centres, until the COVID-19 outbreak in early 2020. Due to the circuit-breaker and strict safe management measures in the initial phase of the pandemic, all external programs at eldercare centres had to be suspended.

Many outreach opportunities will be available for the congregation towards the last quarter of 2022. St Luke's will be opening 3 new active ageing hubs - One Punggol Hub (Oct), Anchorvale (Nov), and Northshore (Feb 2023).

In August 2020, we felt the need to reconnect with the seniors, and the idea of having chapel services via Zoom was birthed. Brother Toh Ser Nguan, our pioneer preacher on the St Luke's team, and myself (the off-key worship leader), piloted our first Zoom chapel for Sumang Centre. We received positive feedback after two test runs at Sumang and Rivervale. We then took the step of faith to begin chapel services on alternate weeks for both centres.

By His grace, St Luke's staff who were on-site helped us to engage the seniors while we appeared on a 60" TV screen via Zoom. The Lord gave wisdom to Brother Toh to pause and ask the seniors simple questions during his short sharing. Small prizes like Want Want rice biscuits were given to encourage those who answered correctly, and this helped the seniors to stay focused. This effective format was adopted by many preachers subsequently.

To create greater engagement, we introduced segments for prayer requests as well as to celebrate birthdays every month. Some pre-believing seniors begin to make prayer requests either for themselves or their family members. The birthday celebrations brought much joy.

After 18 months on Zoom, we rejoice in being able to return to both locations from May. Many seniors were delighted. Our volunteers rejoice in the opportunities to interact with the seniors, as well as opportunities to have one-on-one prayer time with several of them. Over the last two years, many regular volunteers have dropped out. Therefore, we need to rally new befrienders who are available on weekdays (during working hours) to support our chapel program as well as other initiatives we hope to pilot, like Care Groups.

Many outreach opportunities will be available for the congregation from the last quarter of this year. St Luke's will be opening three new active ageing hubs - One Punggol Hub (Oct), Anchorvale (Nov), and Northshore (Feb 2023). One Punggol Hub will have a stronger focus on intergenerational activities, and Northshore will have a water sports theme. These centres will operate from Monday to Saturday, and conduct outreach to the pre-frail folks in the community, to keep them active through activities.

Indeed, the harvest is plentiful. Would you respond to His call?
