CALLING ALL HUSBANDS - BALANCE YOUR INVESTMENT PORTFOLIO!

Singaporeans in general are very savvy at investing: they invest money in property, funds, insurance plans with the expectation of seeking a good return over a certain duration. They invest time and effort in exercise and therapy seeking good health over this lifetime. Puzzlingly, they have invested very little in the area of spiritual growth. Is this because they have low expectations in this area? Would they reconsider if they understood that the returns on this investment extends into eternity?

Husband's group gathering

As it stands, the majority of Singaporeans are woefully unbalanced in this aspect of their portfolios, but it doesn't have to be this way.

For the husbands out there- this is an invitation to join the Family Life Ministry's Husbands' Group - to grow your spiritual investment. The group seeks to lead men into a life changing relationship with God, through understanding and fulfilling of their identities as sons, fathers, husbands, and members of the body of Christ.

In discussions and activities, men get to know one another, and become genuine versions of themselves. Bonds of long-term friendship are forged, and much laughter (and food) shared. Earlier this year, the group participated in an overnight East Coast camping trip and it was wonderful to greet the morning sunrise with buddies and their families.

The book of Matthew states that "seek, and you shall find. Knock and it will be opened onto you". Perhaps you have been seeking to invest spiritually for some time now, as to what it means for a man to follow Christ.

Just knock and be assured that an astounding return awaits!
