**"I witnessed an incident involving an old man of about 80 years old who boarded the bus together with me.**

He climbed on the bus without tapping his card and went straight to a seat.

**"Mr Prasad gently said, 'Sir, you have not tapped your card.'**

**"The man answered, 'So what? Call the police, you stupid man!!!' He started shouting, scolding and cursing Mr Prasad,**

"The man answered, 'So what? Call the police, you stupid man!!!' He started shouting, scolding and cursing Mr Prasad, who simply kept smiling and took out his own money to pay for the man before he continued driving.

**"After a few stops, the old man pressed the bell to alight.  
Unfortunately, he could not stand up and shouted for help.**

**"Mr Prasad immediately jumped out from his driver's seat, lifted the man up and guided him down the bus. He made sure the man was fine before he came back to the bus and continued driving.**

"I am so touched by Mr Prasad's attitude. He cared and showed concern for this old man even though he was shouted and cursed at."

**"It has been two years since I wrote in and complimented Mr Prasad."**

**She shared how Mr Prasad had come to her rescue after she boarded SBS Transit's bus service 852 without her wallet – by giving her \$10.**

"He told me to keep the change in case I might need it for the day."

**"This handsome driver never fails to smile and greet every passenger, young or old, regardless of race, rich or poor. It really makes my day and that of all the other passengers."**
