MY SINGLE BEST INVESTMENT

Investing in the spiritual growth of others guarantees returns that last forever. My choice of investment is in the next generation.

The past six months have been a season of growth and change within our Youth Ministry. As I reflect on this period, it is clear that God's hand is moving in the hearts of His people. We've welcomed at least one newcomer every week since January 2023, and we've seen God raising up new leaders who share a passion for discipling and investing in the next generation!

The Celebration:

Here is a glimpse from one of our leaders (Sam) who is serving in the ministry:

"Serving in the Youth Ministry has been the greatest blessing in terms of bearing witness to how God moves in our midst. I thought I was sacrificing time to serve the youths, but what I truly experienced over the past year was the youths serving, growing, loving, and helping me draw near to God. We get to connect, build relationships, and seek to grow spiritually together even as we gather for prayers, service, sermon and scriptural discussion, not to mention the awesome dinner fellowship after service ends. There is simply so much authenticity, vulnerability, and humility encapsulated within this community! It was here in the Youth Ministry that I caught a glimpse of how Jesus would have disciplined His 12 disciples. And it encourages me to be even more intentional about discipling our next generation of Christ's disciples, and help lead them from where they are, to where God wants them to be."

The Challenges:

While we celebrate these victories, we also acknowledge the challenges our youth face in their spiritual journey. The

struggles of owning their faith and living it out, coupled with the pressures of academic performance, social media, and societal expectations, often weigh heavily on their hearts.

Many youths grapple with doubt and questions about their faith. We are grateful for leaders who understand the need to create safe spaces and open dialogue where questions are encouraged, and faith is explored. Many feel comfortable sharing where they are spiritually, and many "second generation" churchgoers acknowledge that they are not yet saved and are open to exploring biblical truths further!

The Call to invest:

As the ministry continues to grow—with a 50% increase in attendance since 2023—so do our needs. We recognize that sustaining and expanding our efforts requires more hands and hearts dedicated to this mission. We need passionate and committed volunteers who can mentor and lead small groups. Your investment in the lives of our youth will make an eternal impact!

We invite you to join us on this journey of investing in the next generation! Please keep us in your prayers. Pray for our leaders, that God will grant them wisdom and strength. Pray for the youth, that they will own their faith and live it out daily.
