Deep and Wide: Children's Ministry Updates!

Hannah Chee
Children's Ministry Shepherd

In recent years, our Children's Ministry has undergone a period of significant growth and transformation. We have focused on going "deep" by strengthening our ministry team and "wide" by continuing our gospel outreach to pre-believing kids.

This year, 24 dedicated volunteers have stepped up as team leaders across our Playgroup, Preschool, and Primary children's services. These leaders have committed to meet regularly for fellowship—sharing meals,

discussing ministry ideas, and praying together. Some leaders have even opened their homes for gatherings with their teams. These connections outside of Sunday services have deepened relationships among volunteers, creating greater synergy and encouragement as they serve together.

This intentional relationship-building has also extended to the kids. We've hosted a series of "Small Group Connect" events where Small Group Leaders (SGLs) take the children outside of the regular service environment to play games and share meals. These events have helped the children bond, fostering a sense of community within the church. Stronger relationships among the kids have also helped with smoother

transitions from children's service to youth ministry.

One of the highlights of the year was our Good Friday children's outreach, where 32 newcomers heard the gospel for the very first time! With help from volunteers in the Varsity and Youth ministries, we hosted interactive stations and activities that guided the children to reflect on who Jesus is, and how and why He went to the cross.

“One of the highlights of the year was our Good Friday children's outreach, where 32 newcomers heard the gospel for the very first time!”

In addition to special events, we've been blessed to welcome new children nearly every week. One story that stands out involves a P5 boy who initially came to church with his aunt. He returned another week with a question: should he attend children's service or join his dad in a volunteering event? After a short

conversation with his SGL, he chose to stay for the service and has been coming back regularly. During a small group session, he shared that he wants his parents to believe in Jesus and attend church too! We are deeply grateful for moments like these and pray that the Lord will continue to draw these young hearts to Himself as we faithfully lead and shepherd them.

As we welcome more children into our services, we are praying for additional volunteers who are willing to invest in the next generation. We're planning to start a third service in January 2025 to accommodate the growing number of kids. With this expansion, we need more volunteers to engage and journey with these children as they learn about Jesus. Please join us in praying for more laborers for this harvest field!
