## Ted Turner

**"We're living with outdated rules. The rules we're living under are the Ten Commandments, and I bet nobody here even pays much attention to them because they're too old."**

## Ted Turner

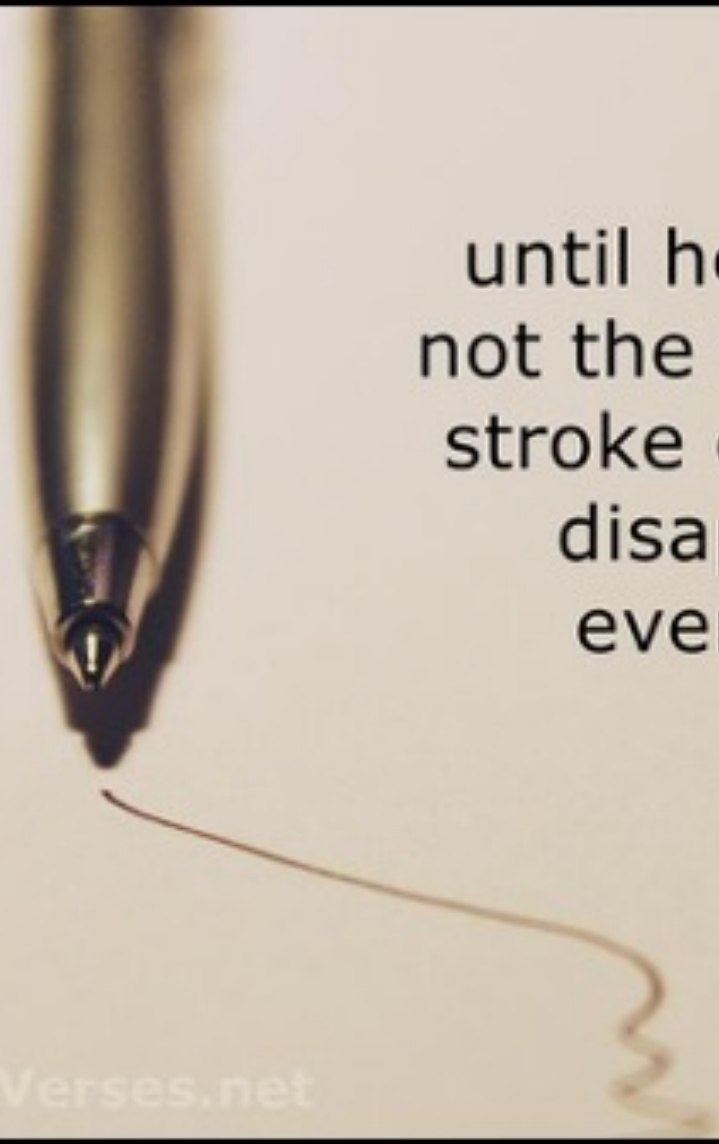

When Moses went up on the mountain, there were no nuclear weapons, there was no poverty. Nobody around likes to be commanded. Commandments are out!"

Do not think that I have come  
to abolish the Law or the Prophets;  
I have not come to abolish them  
but to fulfill them.

**Matthew 5:17**

For truly I tell you,  
until heaven and earth disappear,  
not the smallest letter, not the least  
stroke of a pen, will by any means  
disappear from the Law until  
everything is accomplished.
