# MULTI-SITE EXPANSION PLANS FOR 2026 & BEYOND

Pastor Jason Lim  
Senior Pastor

## PRAISE

We thank God He is growing His church here at Gospel Light. Weekly attendance in our worship services is growing, and the 3 English services are filling up.

\* figures before the year-end holiday period

## **PRECAUTION**

Whilst we are thankful, we must also be careful not to develop a false sense of accomplishment and complacency. We must remember the Great Commission, and not become passive. There are many more souls to reach with the gospel, and we can, and indeed must, do more for the Kingdom.

## **PROPOSAL**

Instead of passively waiting for packed auditoriums and then just call it a day, we should start to plan ahead to reach more people in more places. I have shared with our pastors, elders, deacons and shepherds about a **MULTI-SITE PROPOSAL**. The church leadership fully supports an exploration. Our Care Group Leaders (CGL) have also been briefed in one of our CGL meetings:

### **A) We are looking to multiply to a new worship venue**

Though Singapore is small, distance still matters to people. A new location, a distance away from Punggol, will allow us to connect

with more people, especially those who are not in the Northeast. Whilst we may not have ready preachers/pastors, we have many mature elders/shepherds who can care and shepherd well. We can leverage on technology to broadcast sermons. There is now a higher level of acceptance with technology and streaming of sermons especially amongst the young. (Church-planting is still what we will want to support when we have ready church-planters).

## **B) We are looking to ensure authentic community in that new location**

We do not just want to simply broadcast an online sermon. In a cosier space with smaller numbers, we plan for deeper and more intimate in-person interactions with one another over God's word in that new location.

It may look something like this on a typical Sunday:

10:00-10:15am: Introducing one another in small groups + a quick study of the text for the sermon.

10:15-10:30am: Songs / Catechism / Announcements

10:30-11:15am: Sermon

11:15-12:00pm: Share and prayer in small groups (like as in a CG)

12pm onwards: Wrap up and Q&A + Fellowship over a meal

People are therefore not just watching an online sermon, but they can do life-to-life in-person.

Don't you think it looks more like the portrait of the early church in the Book of Acts?

**C) We are looking to funnel people to CGs/DG (Discipleship Groups)/equipping platforms.**

Remember our goal is not to just conduct worship services (important as they are!). Our goal is also to make disciples. That is what Jesus commanded in His Great Commission. So, with a new venue, we can connect with even more people who may not join us in Punggol and eventually funnel them to our discipling platforms.

#### **4) PREPARATIONS**

We are visiting various churches and studying multi-site models. We are looking for suitable venues for our pilot project. If you do know of possible venues that can host 100-200 people on a Sunday (be it schools, hotels, clubs, churches, industrial spaces or commercial spaces), please [email](#) Melvyn Chia (Head, Connections & Events) If you have any questions or suggestions reach out to us [here](#).

Lastly, please pray that God will keep us  
humble and loyal to His Great Commission.

Only for Jesus,  
Pastor Jason

## WOMEN'S MINISTRY EVENT

As 2026 is just around the corner, we're excited to share that the Women's Ministry will be hosting our very first gathering of the year on Saturday, 17 January! 🌸✨

We warmly welcome all ladies to come, connect, and begin the new year together with us.

As women, we often wear many hats and find our time pulled in many directions. At this event, we'll hear from godly sisters at different life stages as they share how they prioritise God amidst the many demands of life. There will also be space for meaningful conversations in small groups, where we can encourage and learn from one another.
