These brethren have completed our membership class in which we looked into the church structure, fundamental doctrines, the "DNA" of Gospel Light, and God's design for church membership. I have also met them one-on-one to hear their stories of faith. It is indeed my joy and privilege to now welcome them into our church formally.

“Membership is important to God. Membership allows for spiritual authority and discipline when necessary to keep you going in the faith”.

As I am meeting with several other applicants one-on-one, there are many more who will be formally introduced to the church in time to come. We rejoice many have obeyed God's word to commit to His local church!

Membership is important to God. Membership allows for spiritual authority and discipline when necessary to keep you going in the Christian faith (vertical blessing), mutual support, care and encouragement (horizontal blessing), and the collective church to shine like a city on a hill (outward blessing).

If you are attending this church, we would like to encourage you to honour God and obey Him in committing yourself to biblical membership to the local church too!

Blessings,
Pastor Jason
